

Number of chromosomes affected by a cnLOH - Primary Samples

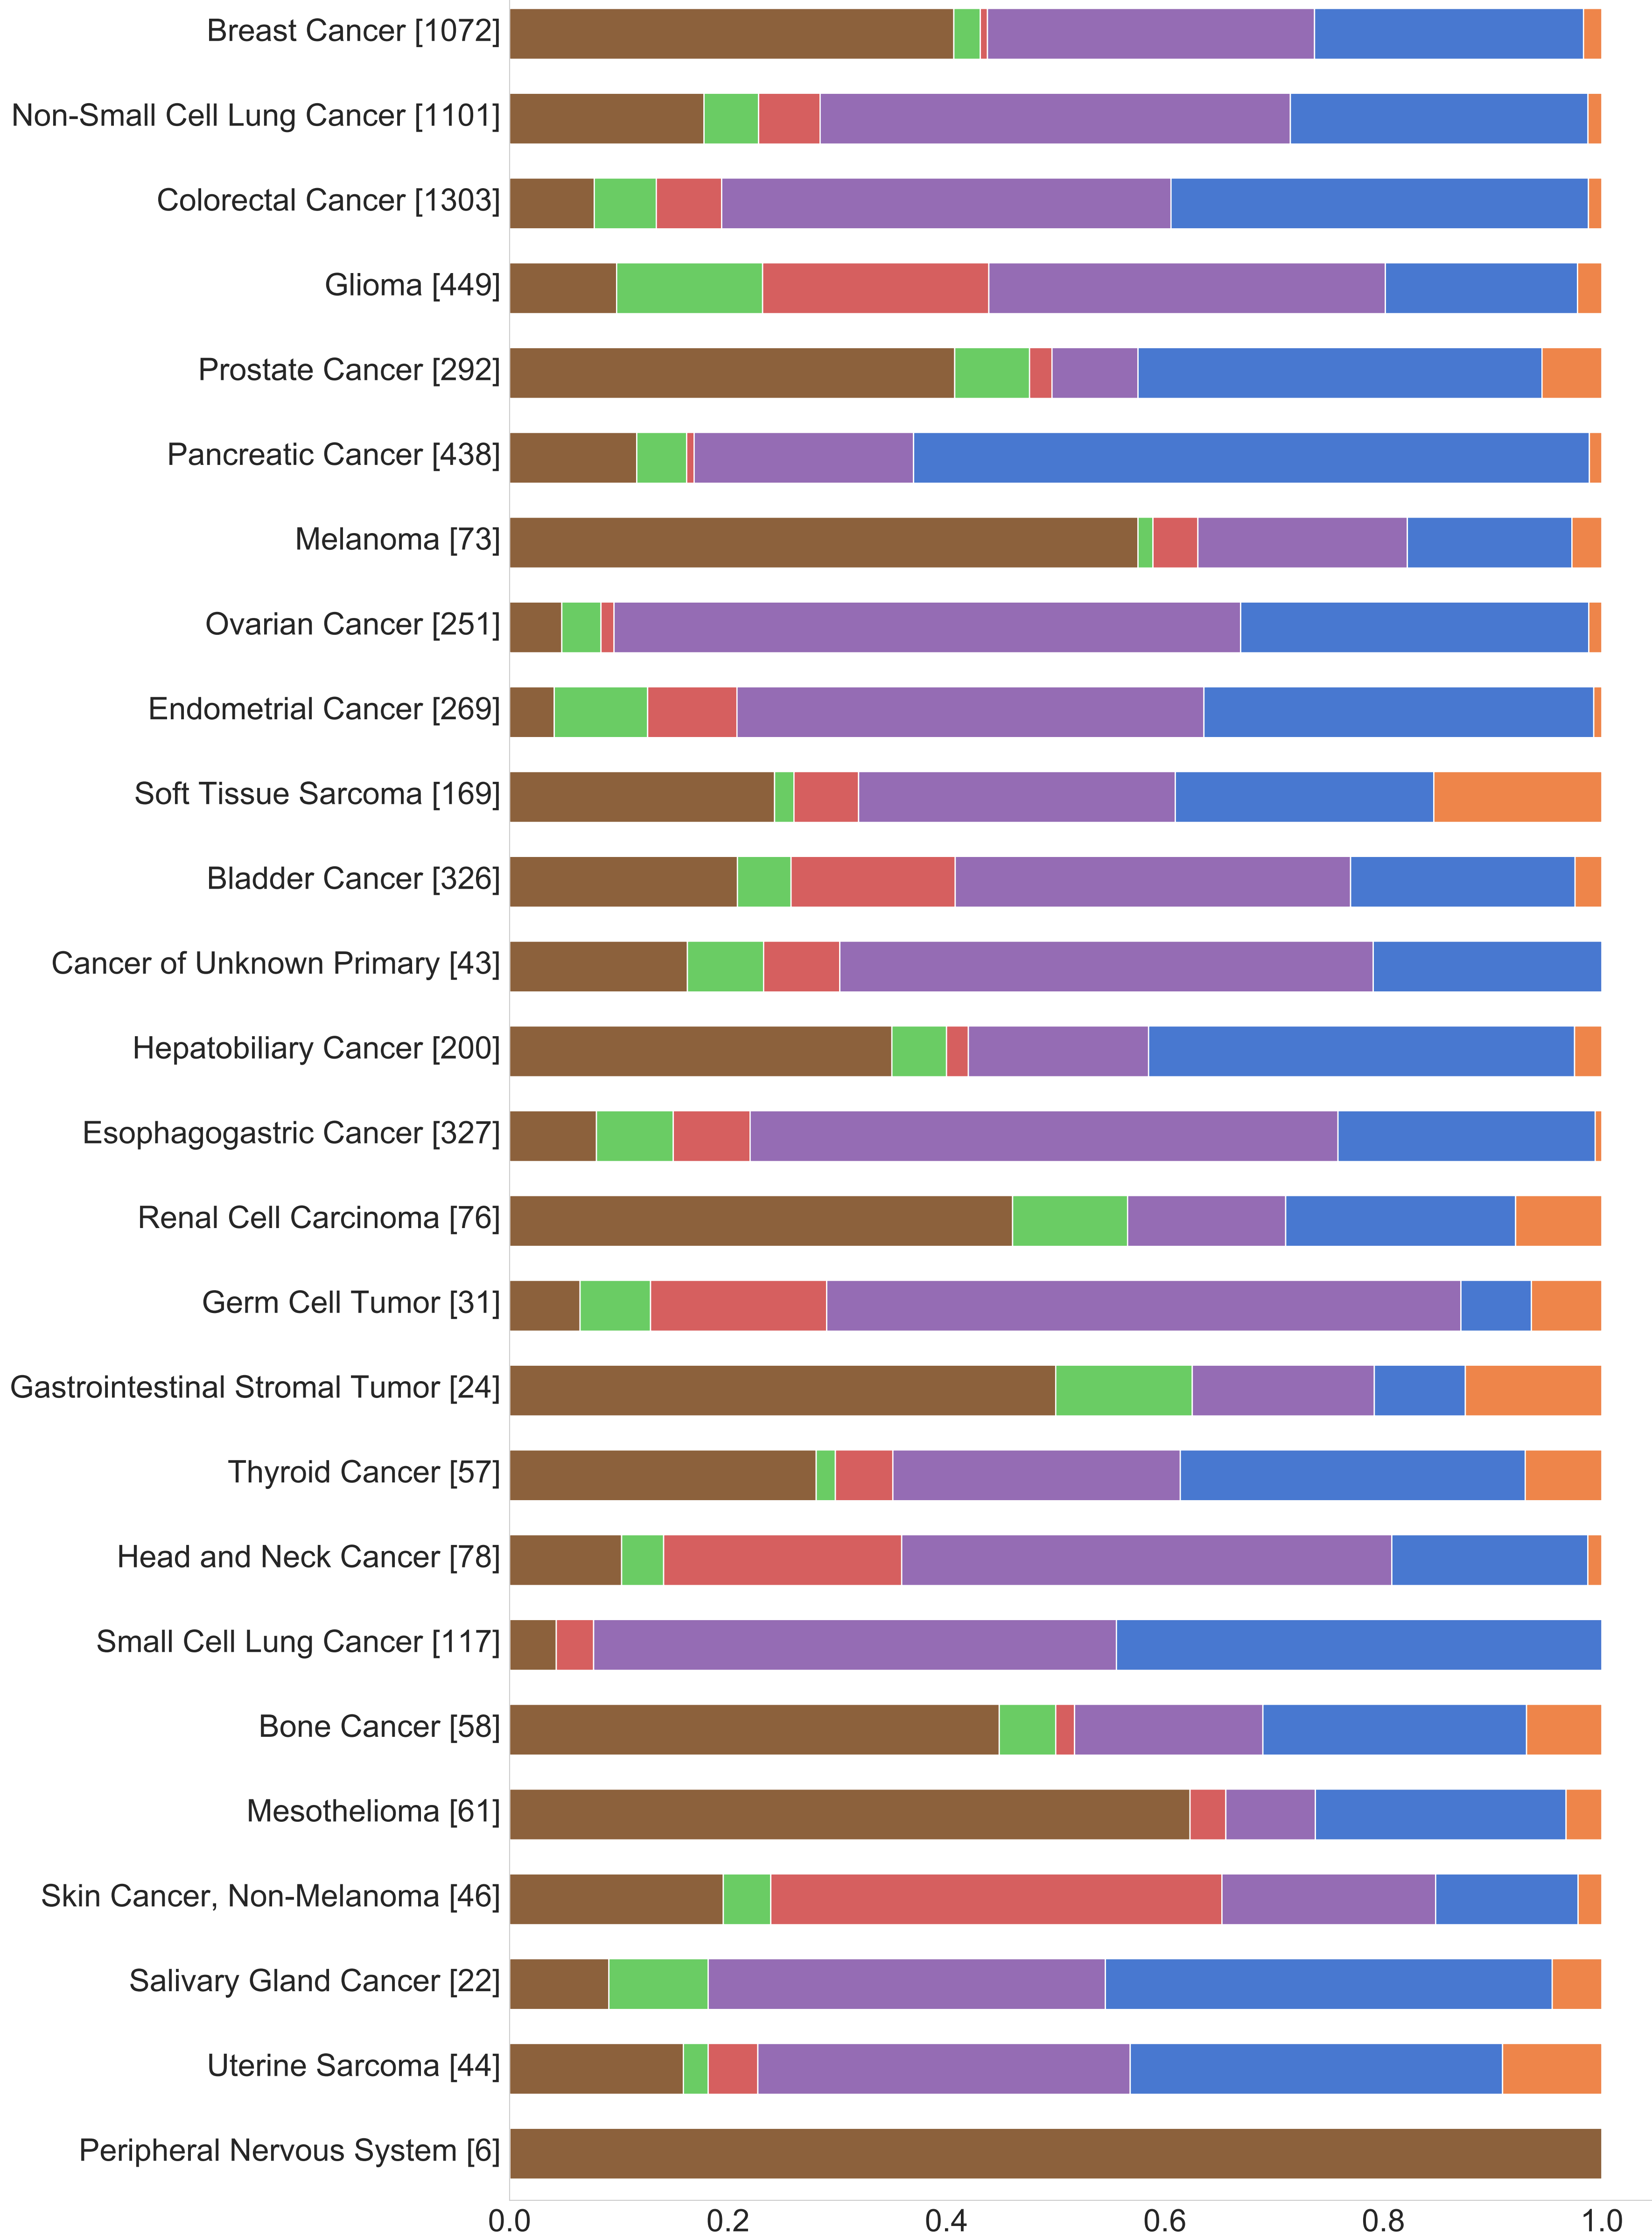

Fraction of genome altered - Metastatic Samples

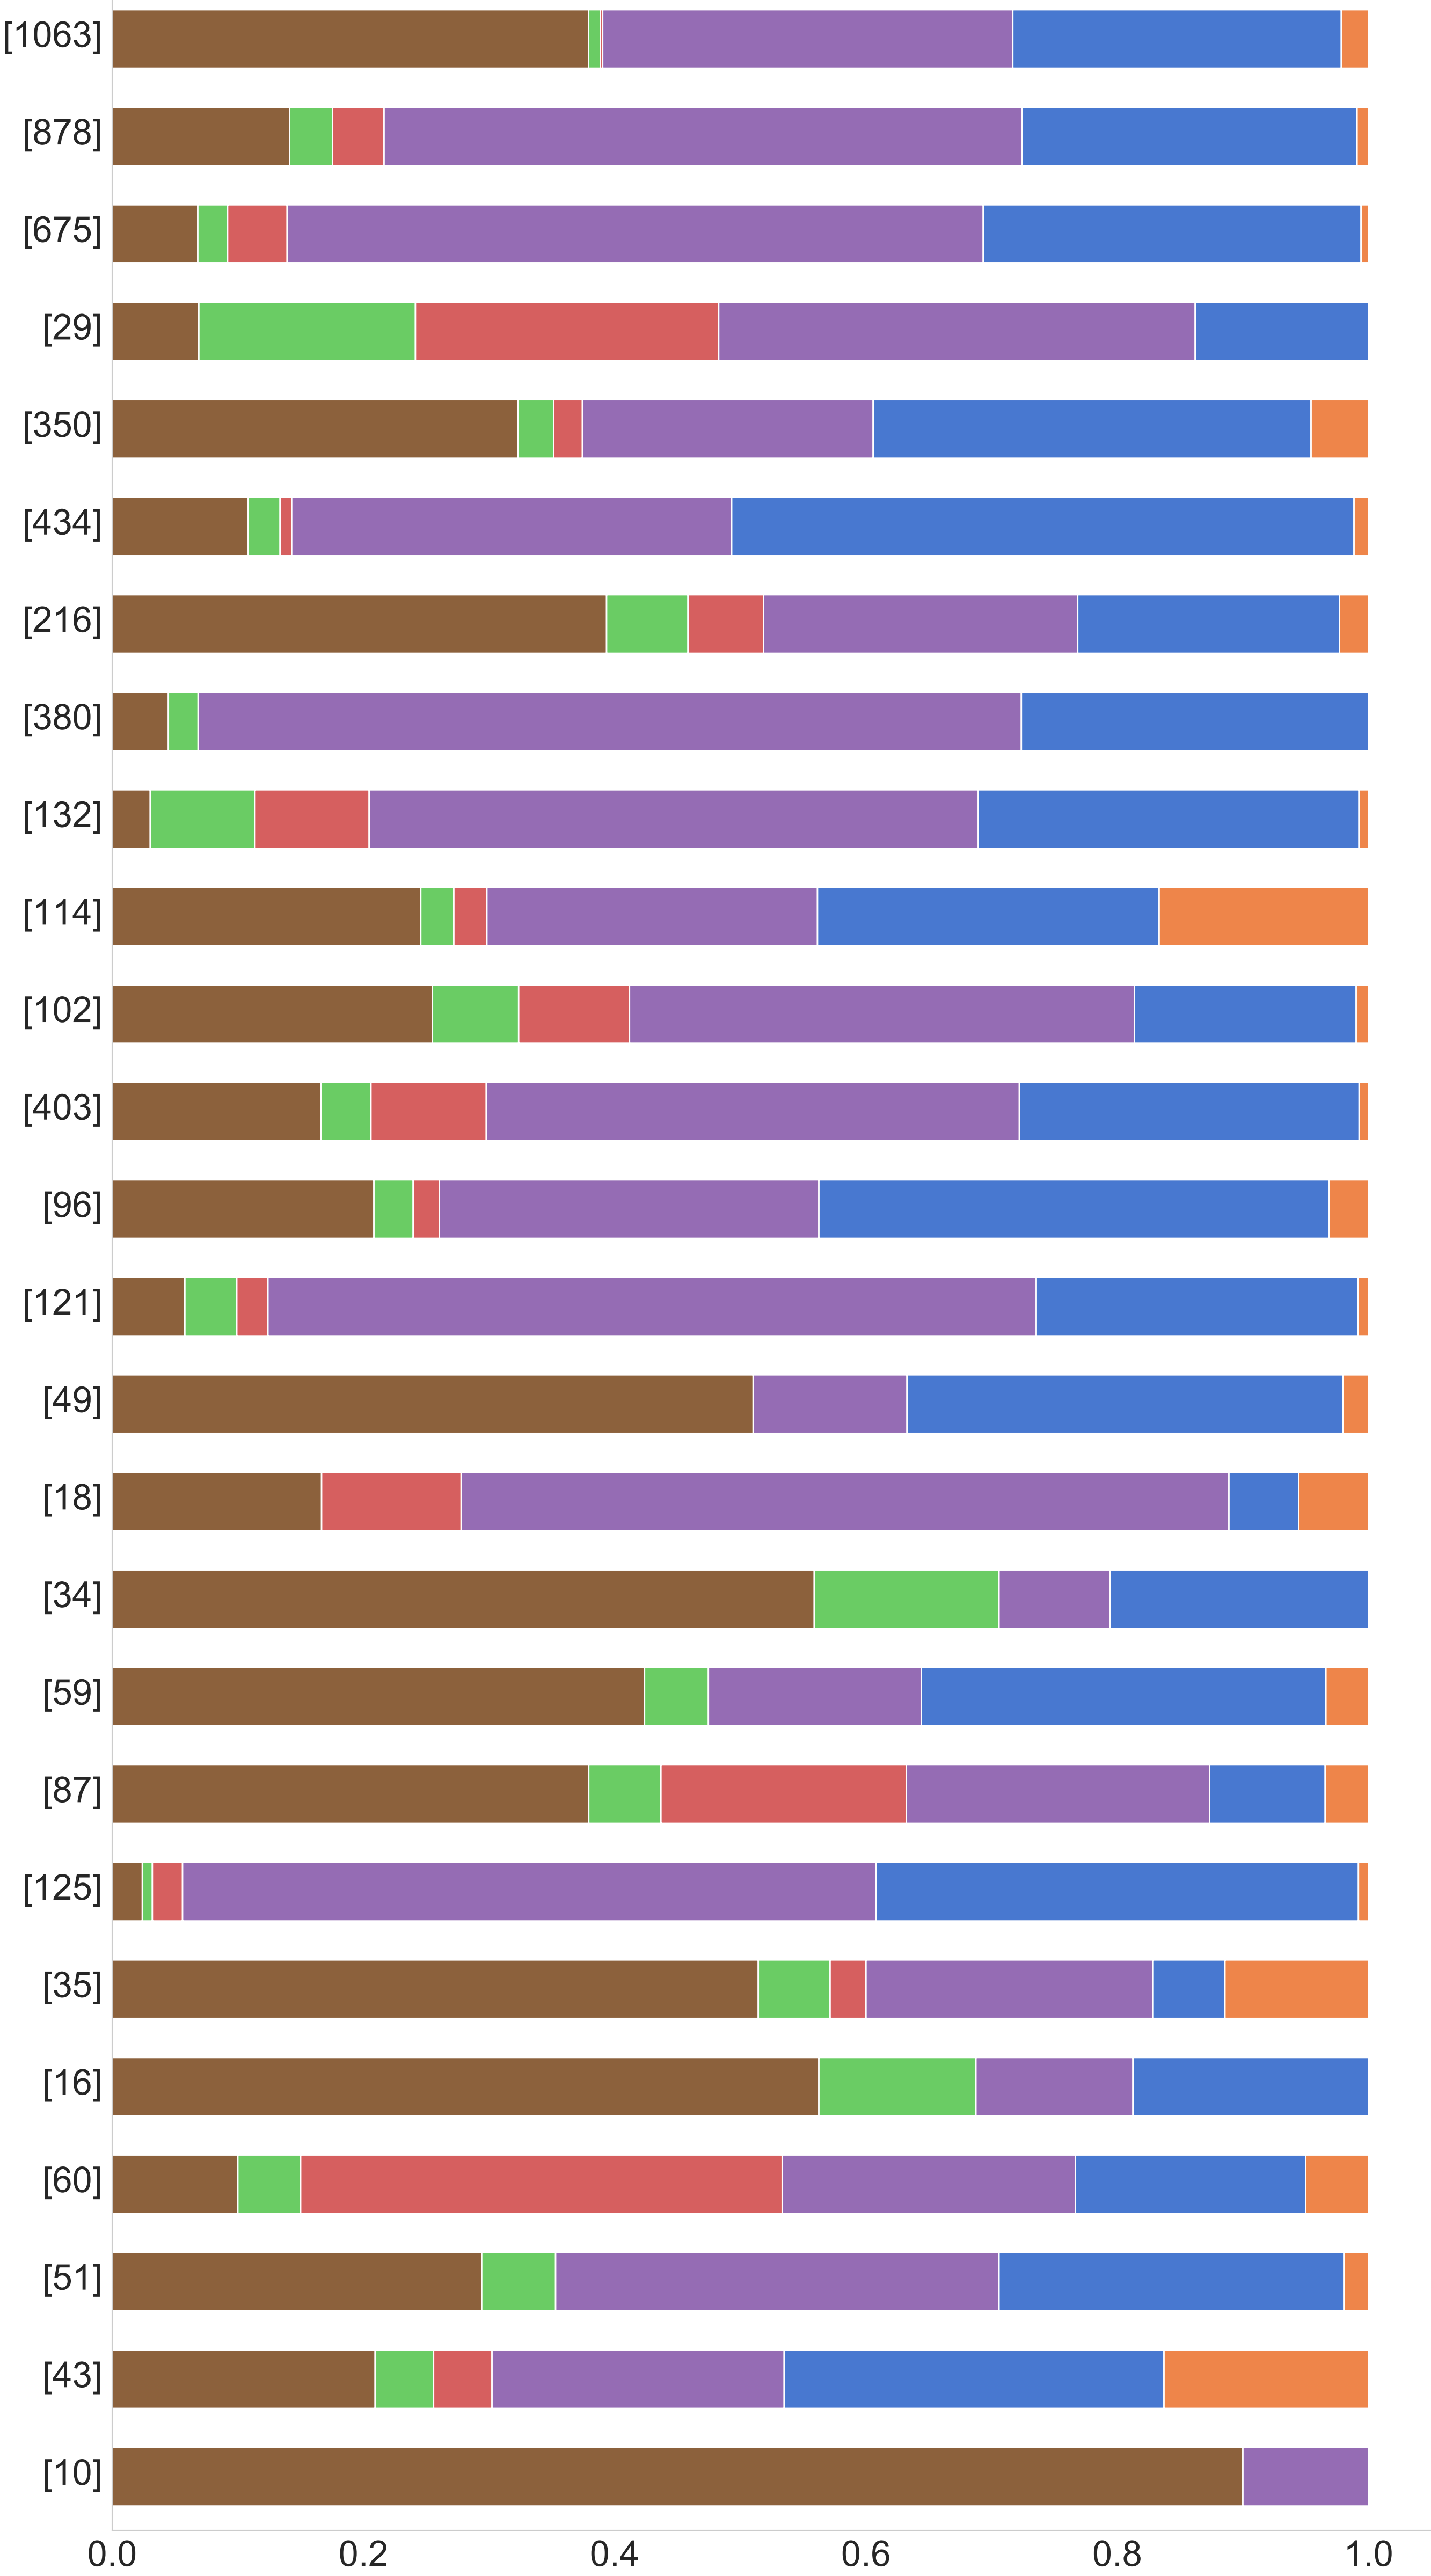

SUBGROUP PROPORTION ACROSS CANCERS

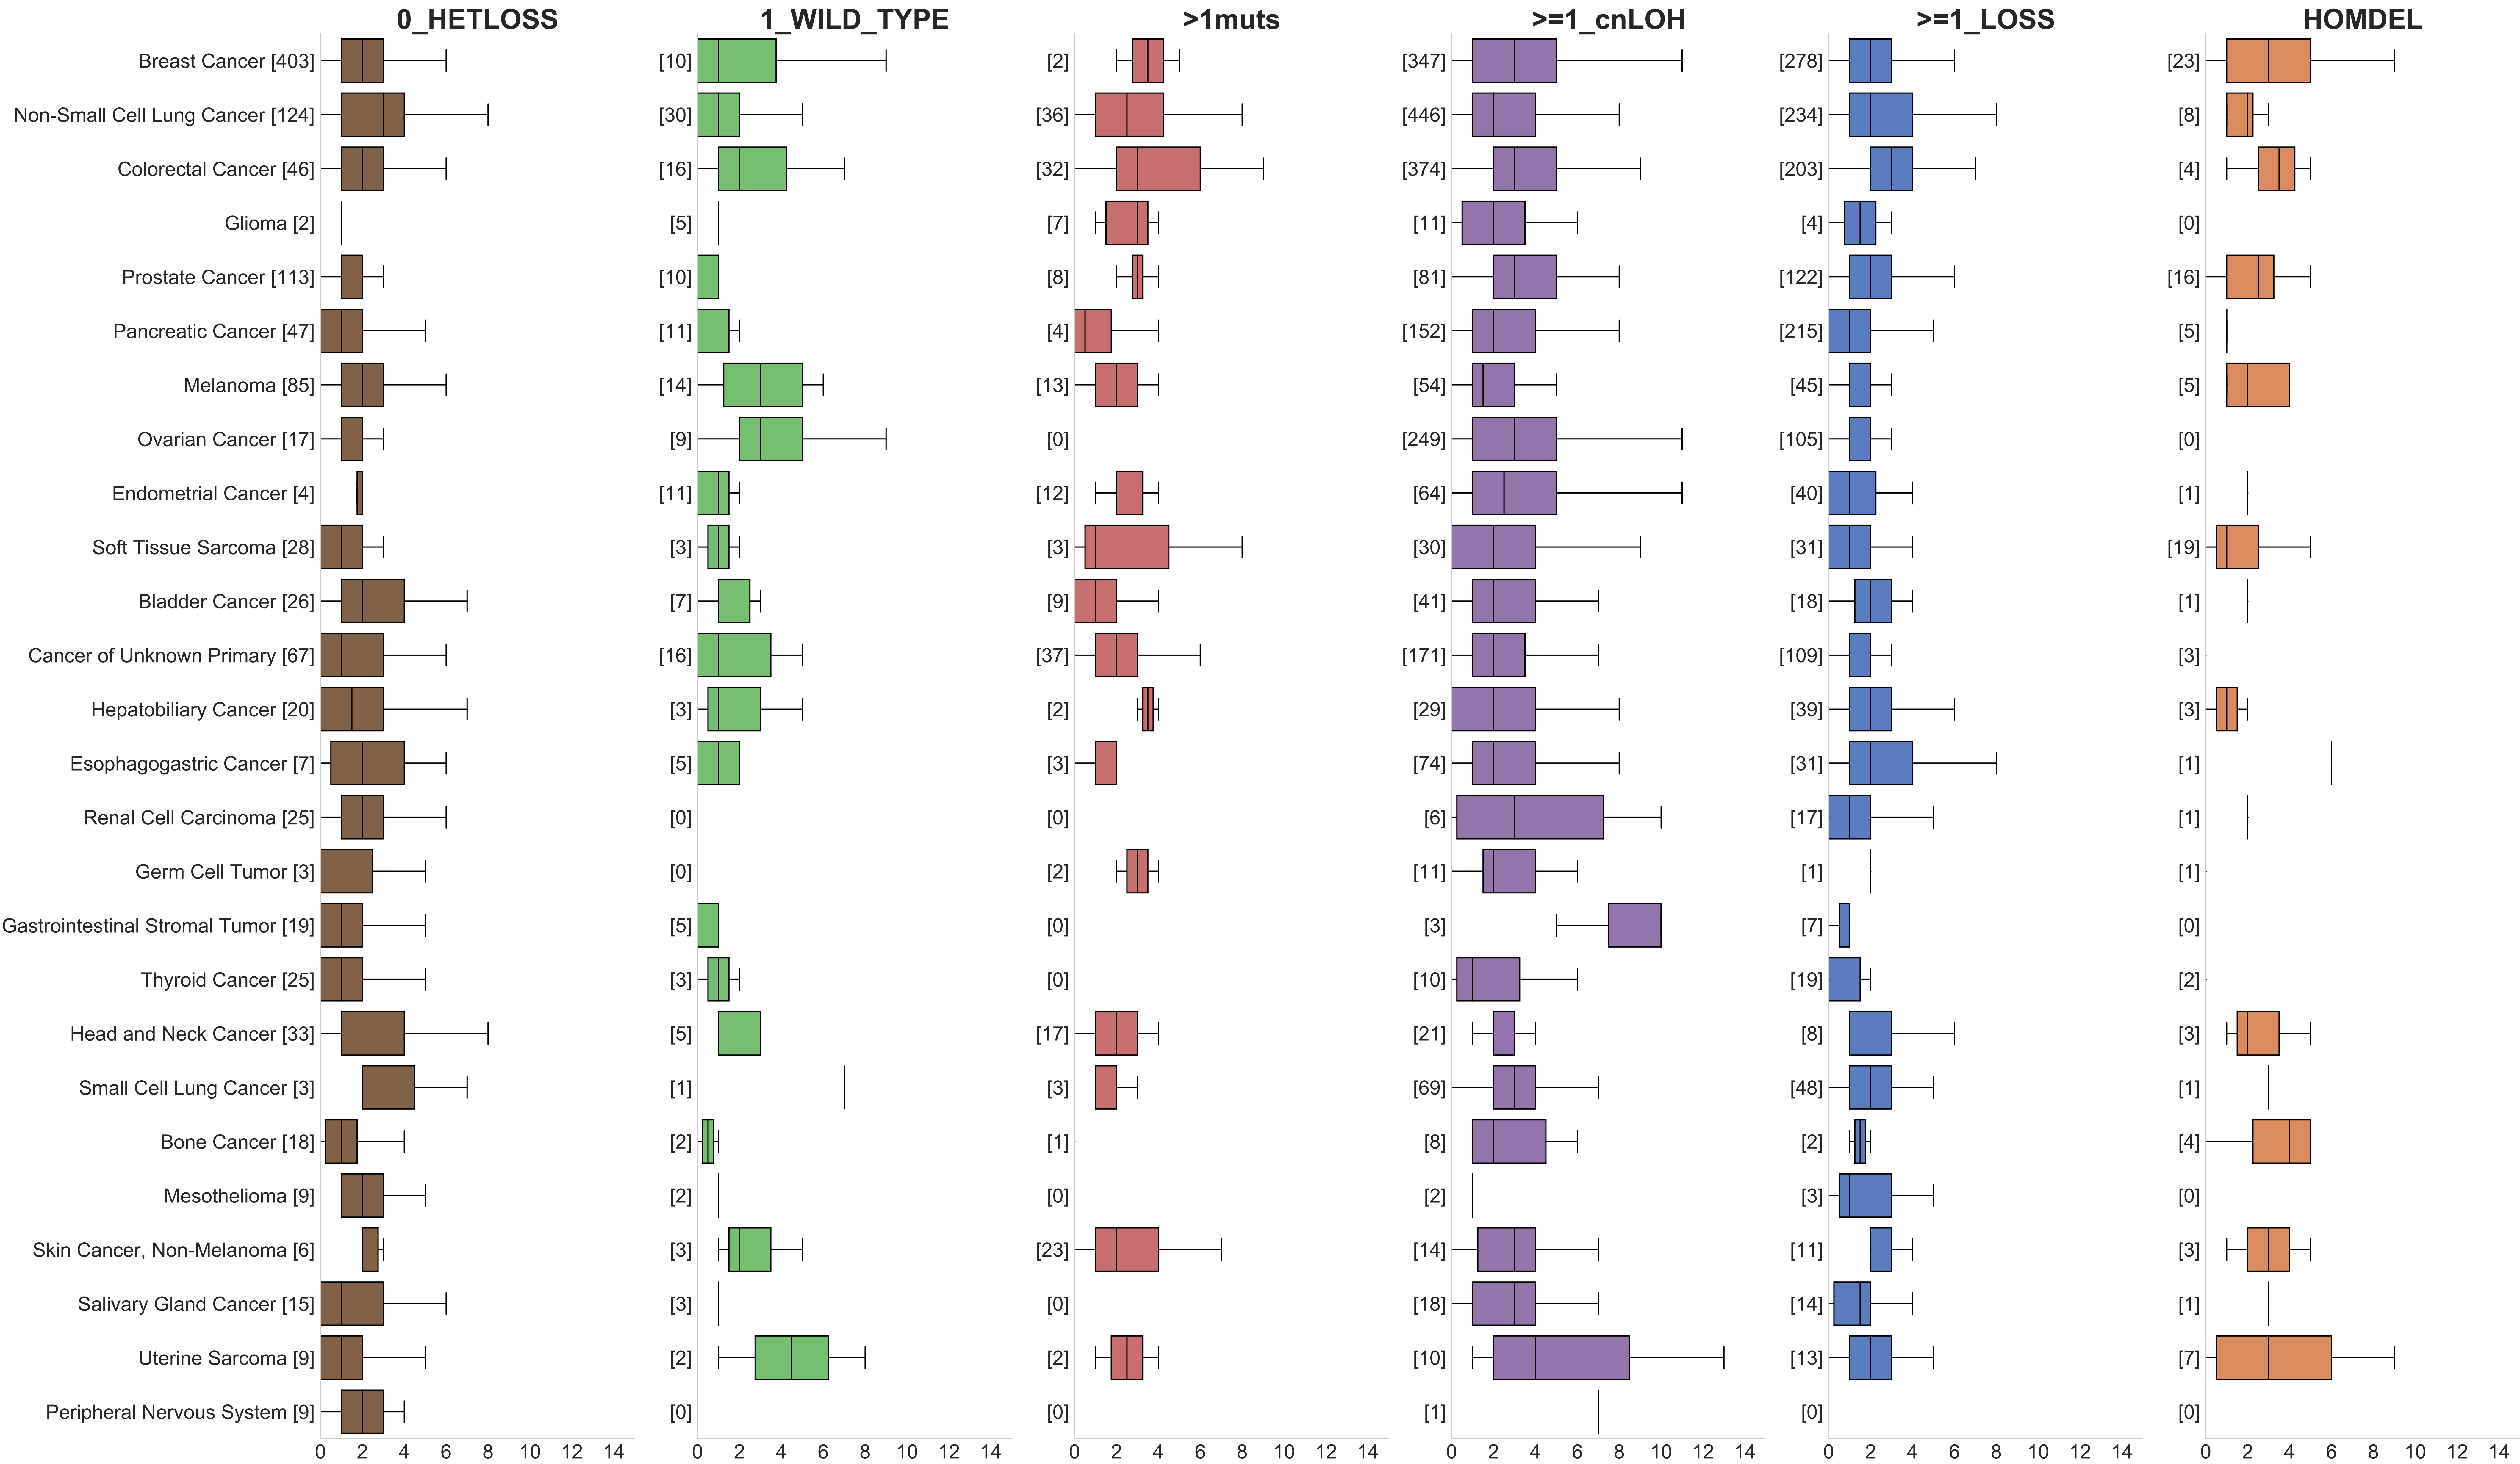

Primary

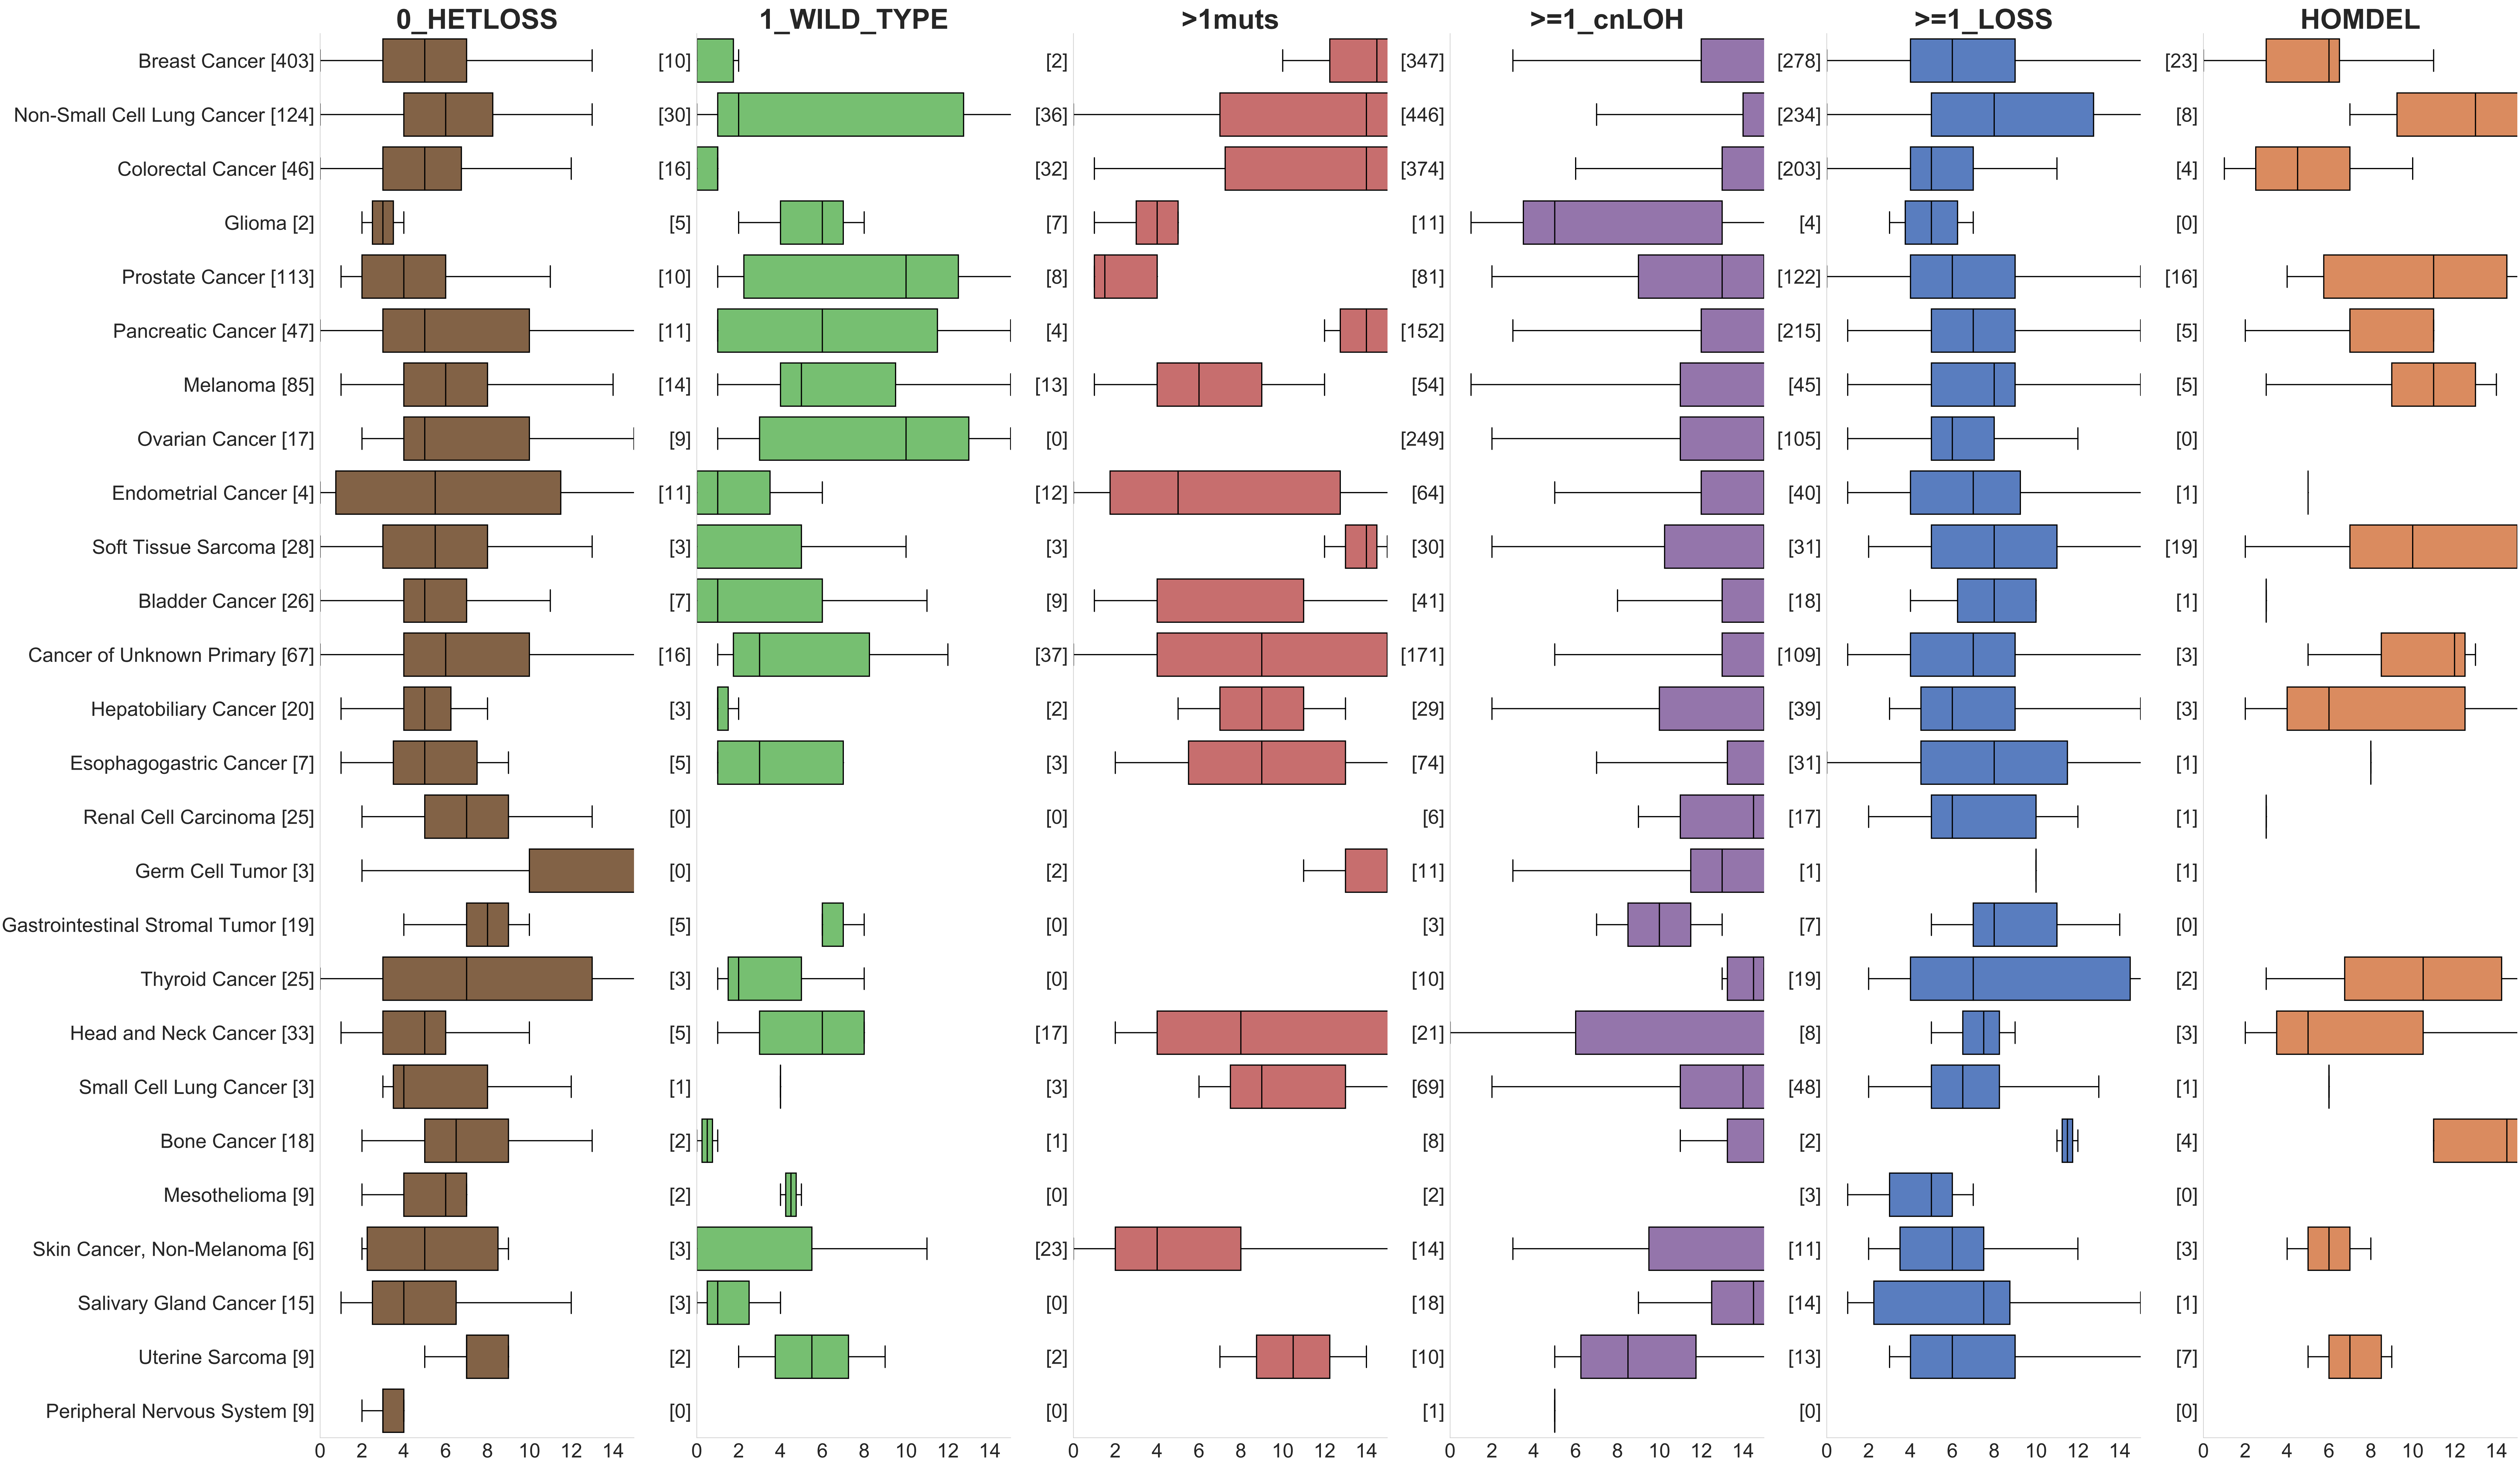

Metastasis

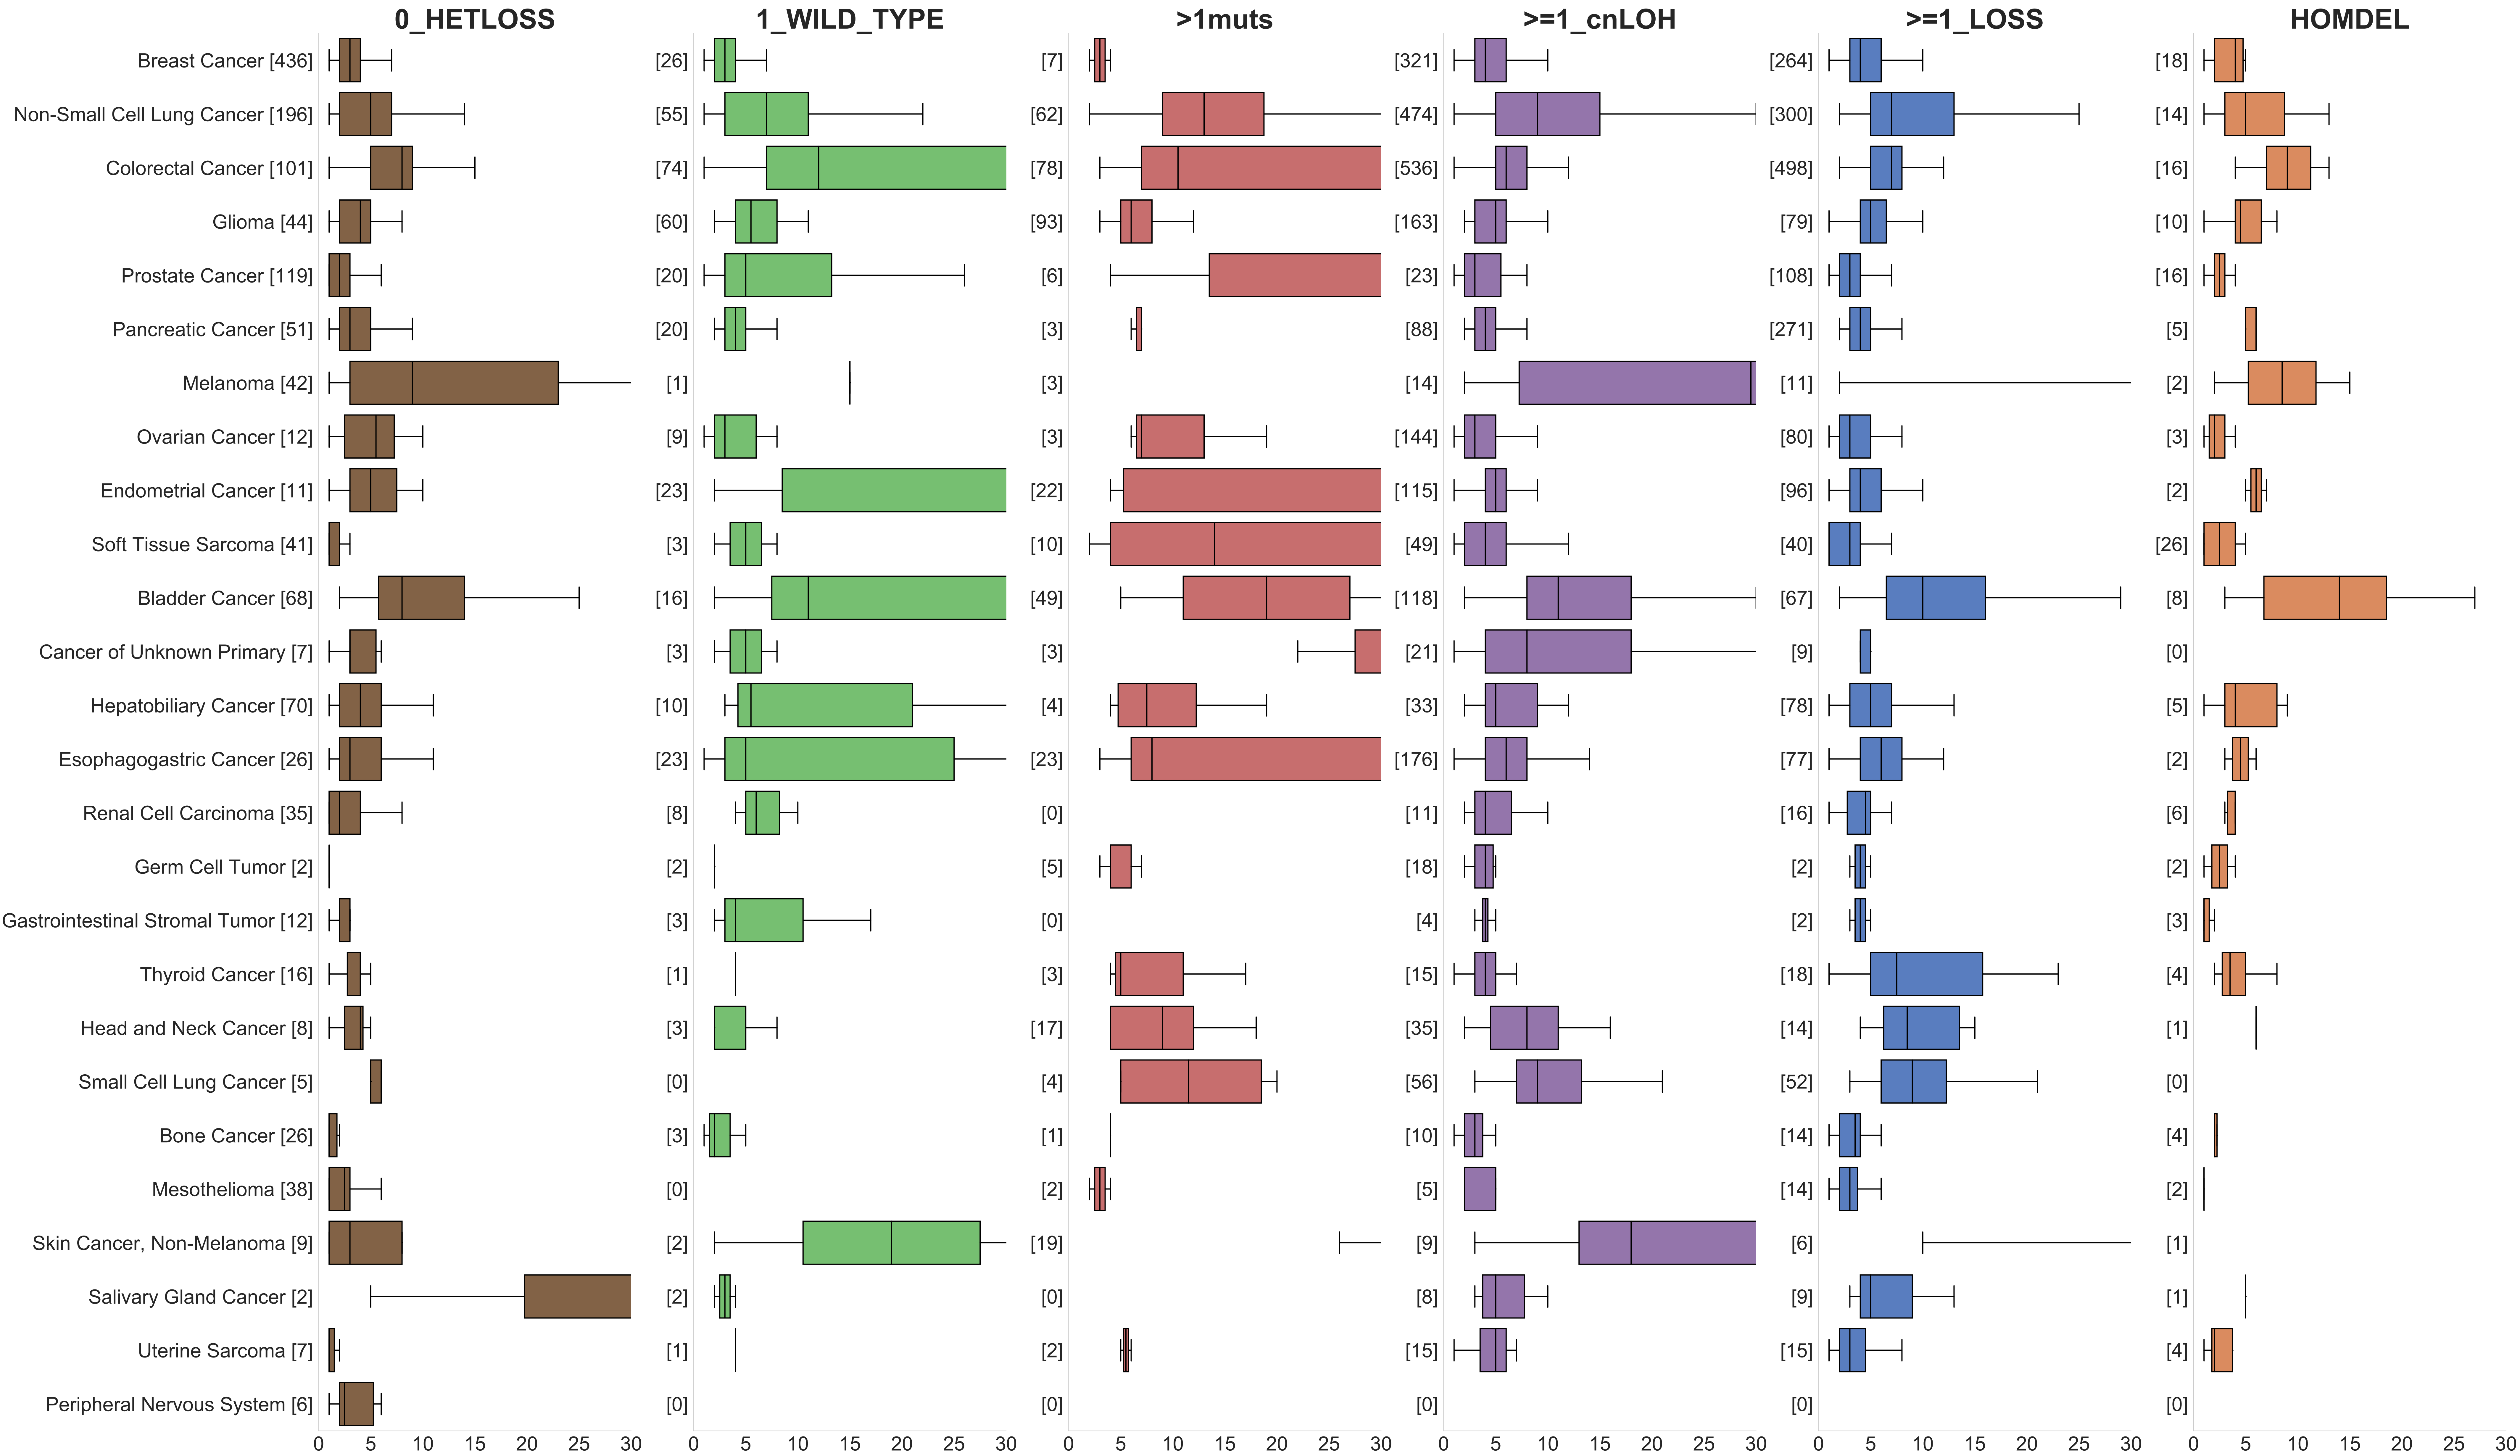

Number of chromosomes affected by a GAIN - Metastatic Samples

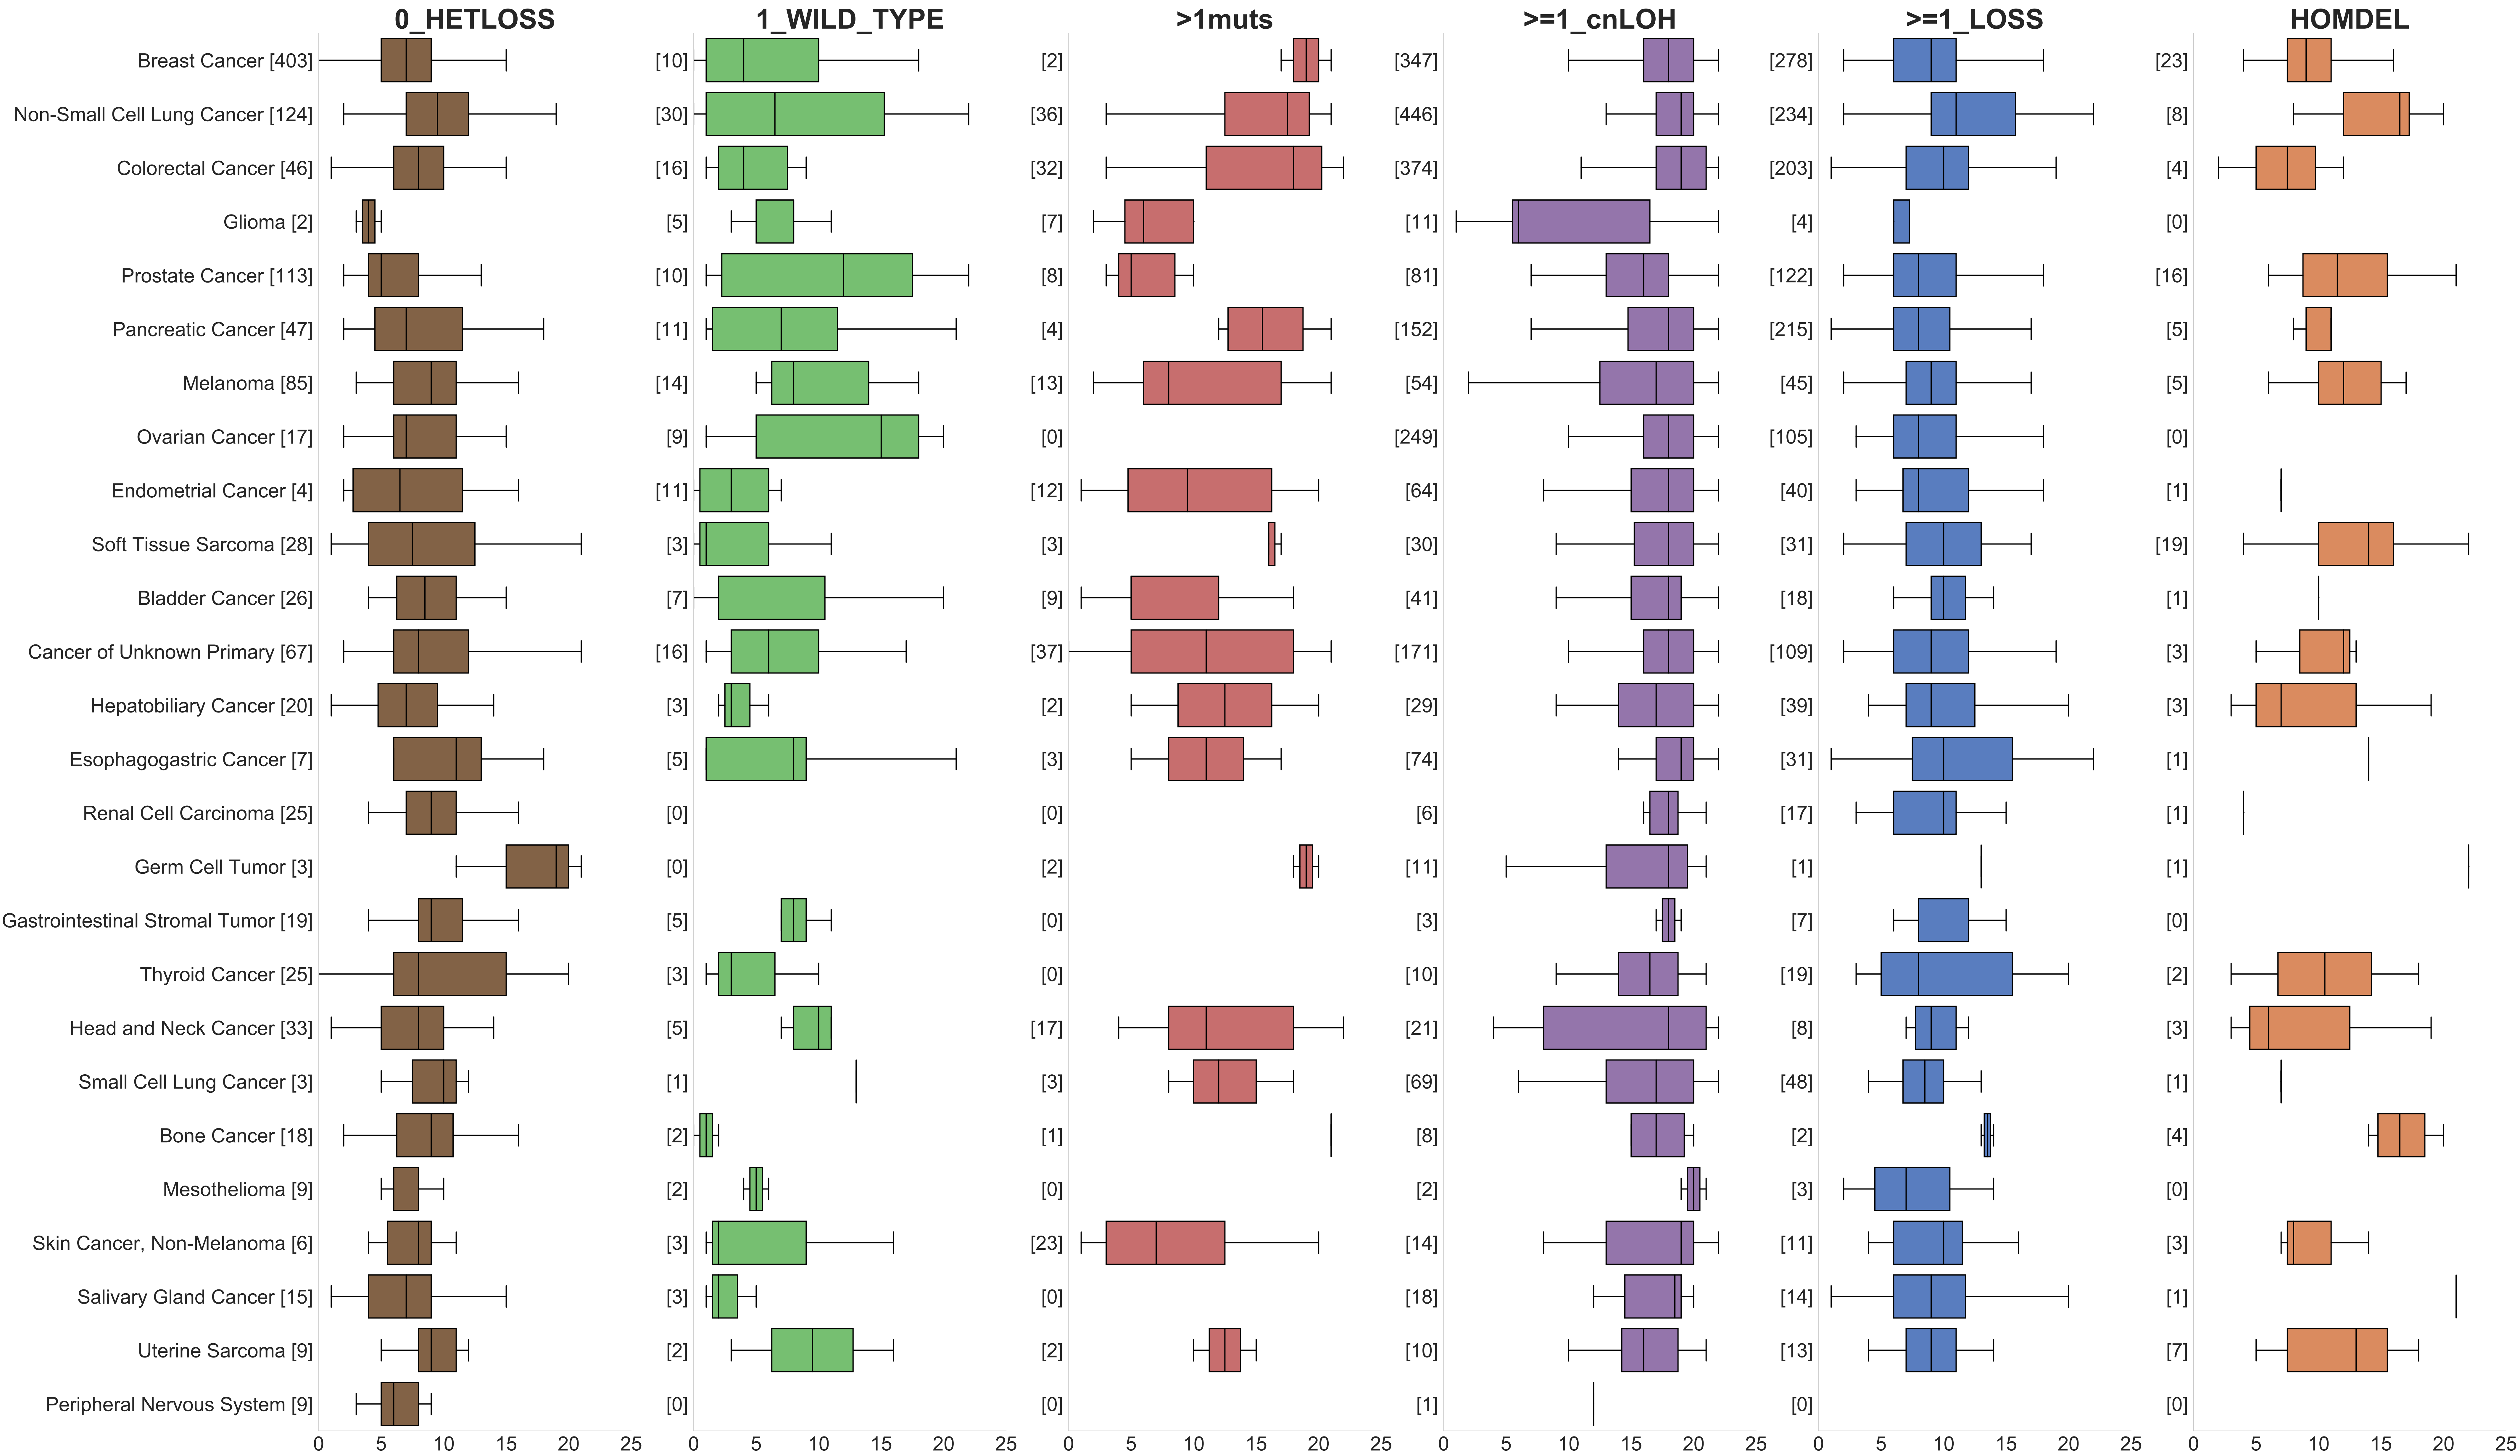

Number of chromosomes affected by a LOSS - Metastatic Samples

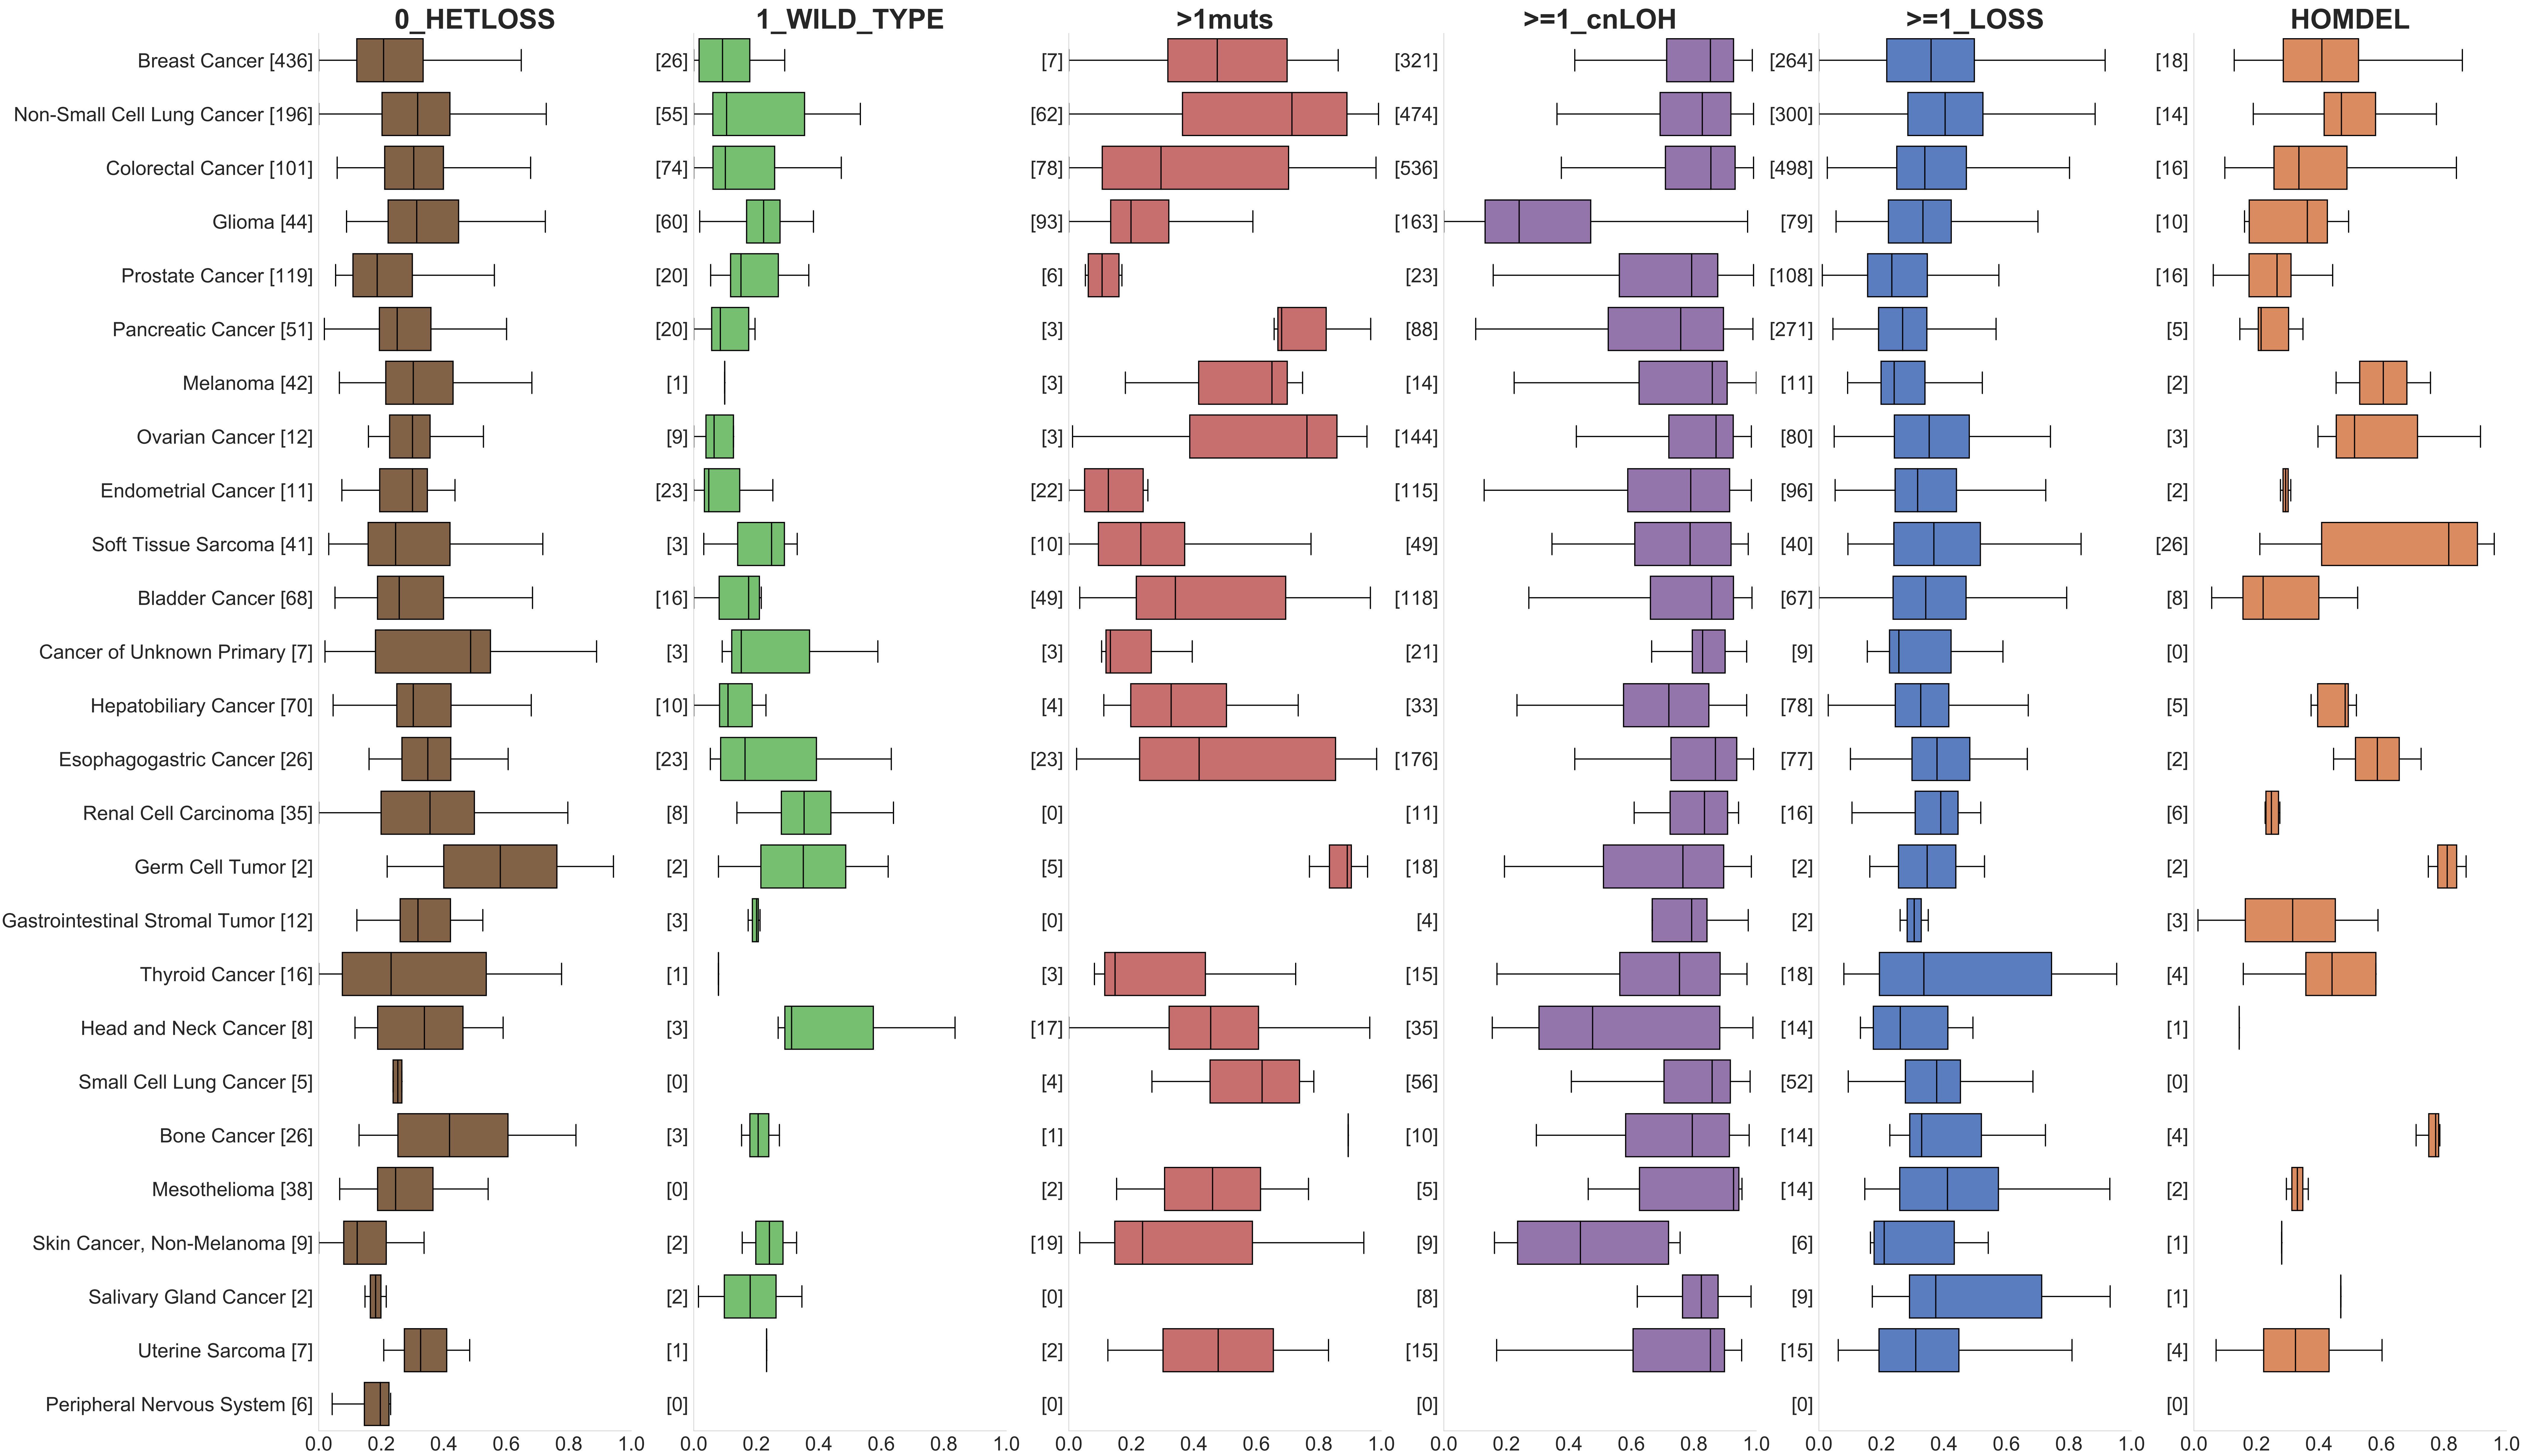

Mutation COunt - Primary Samples

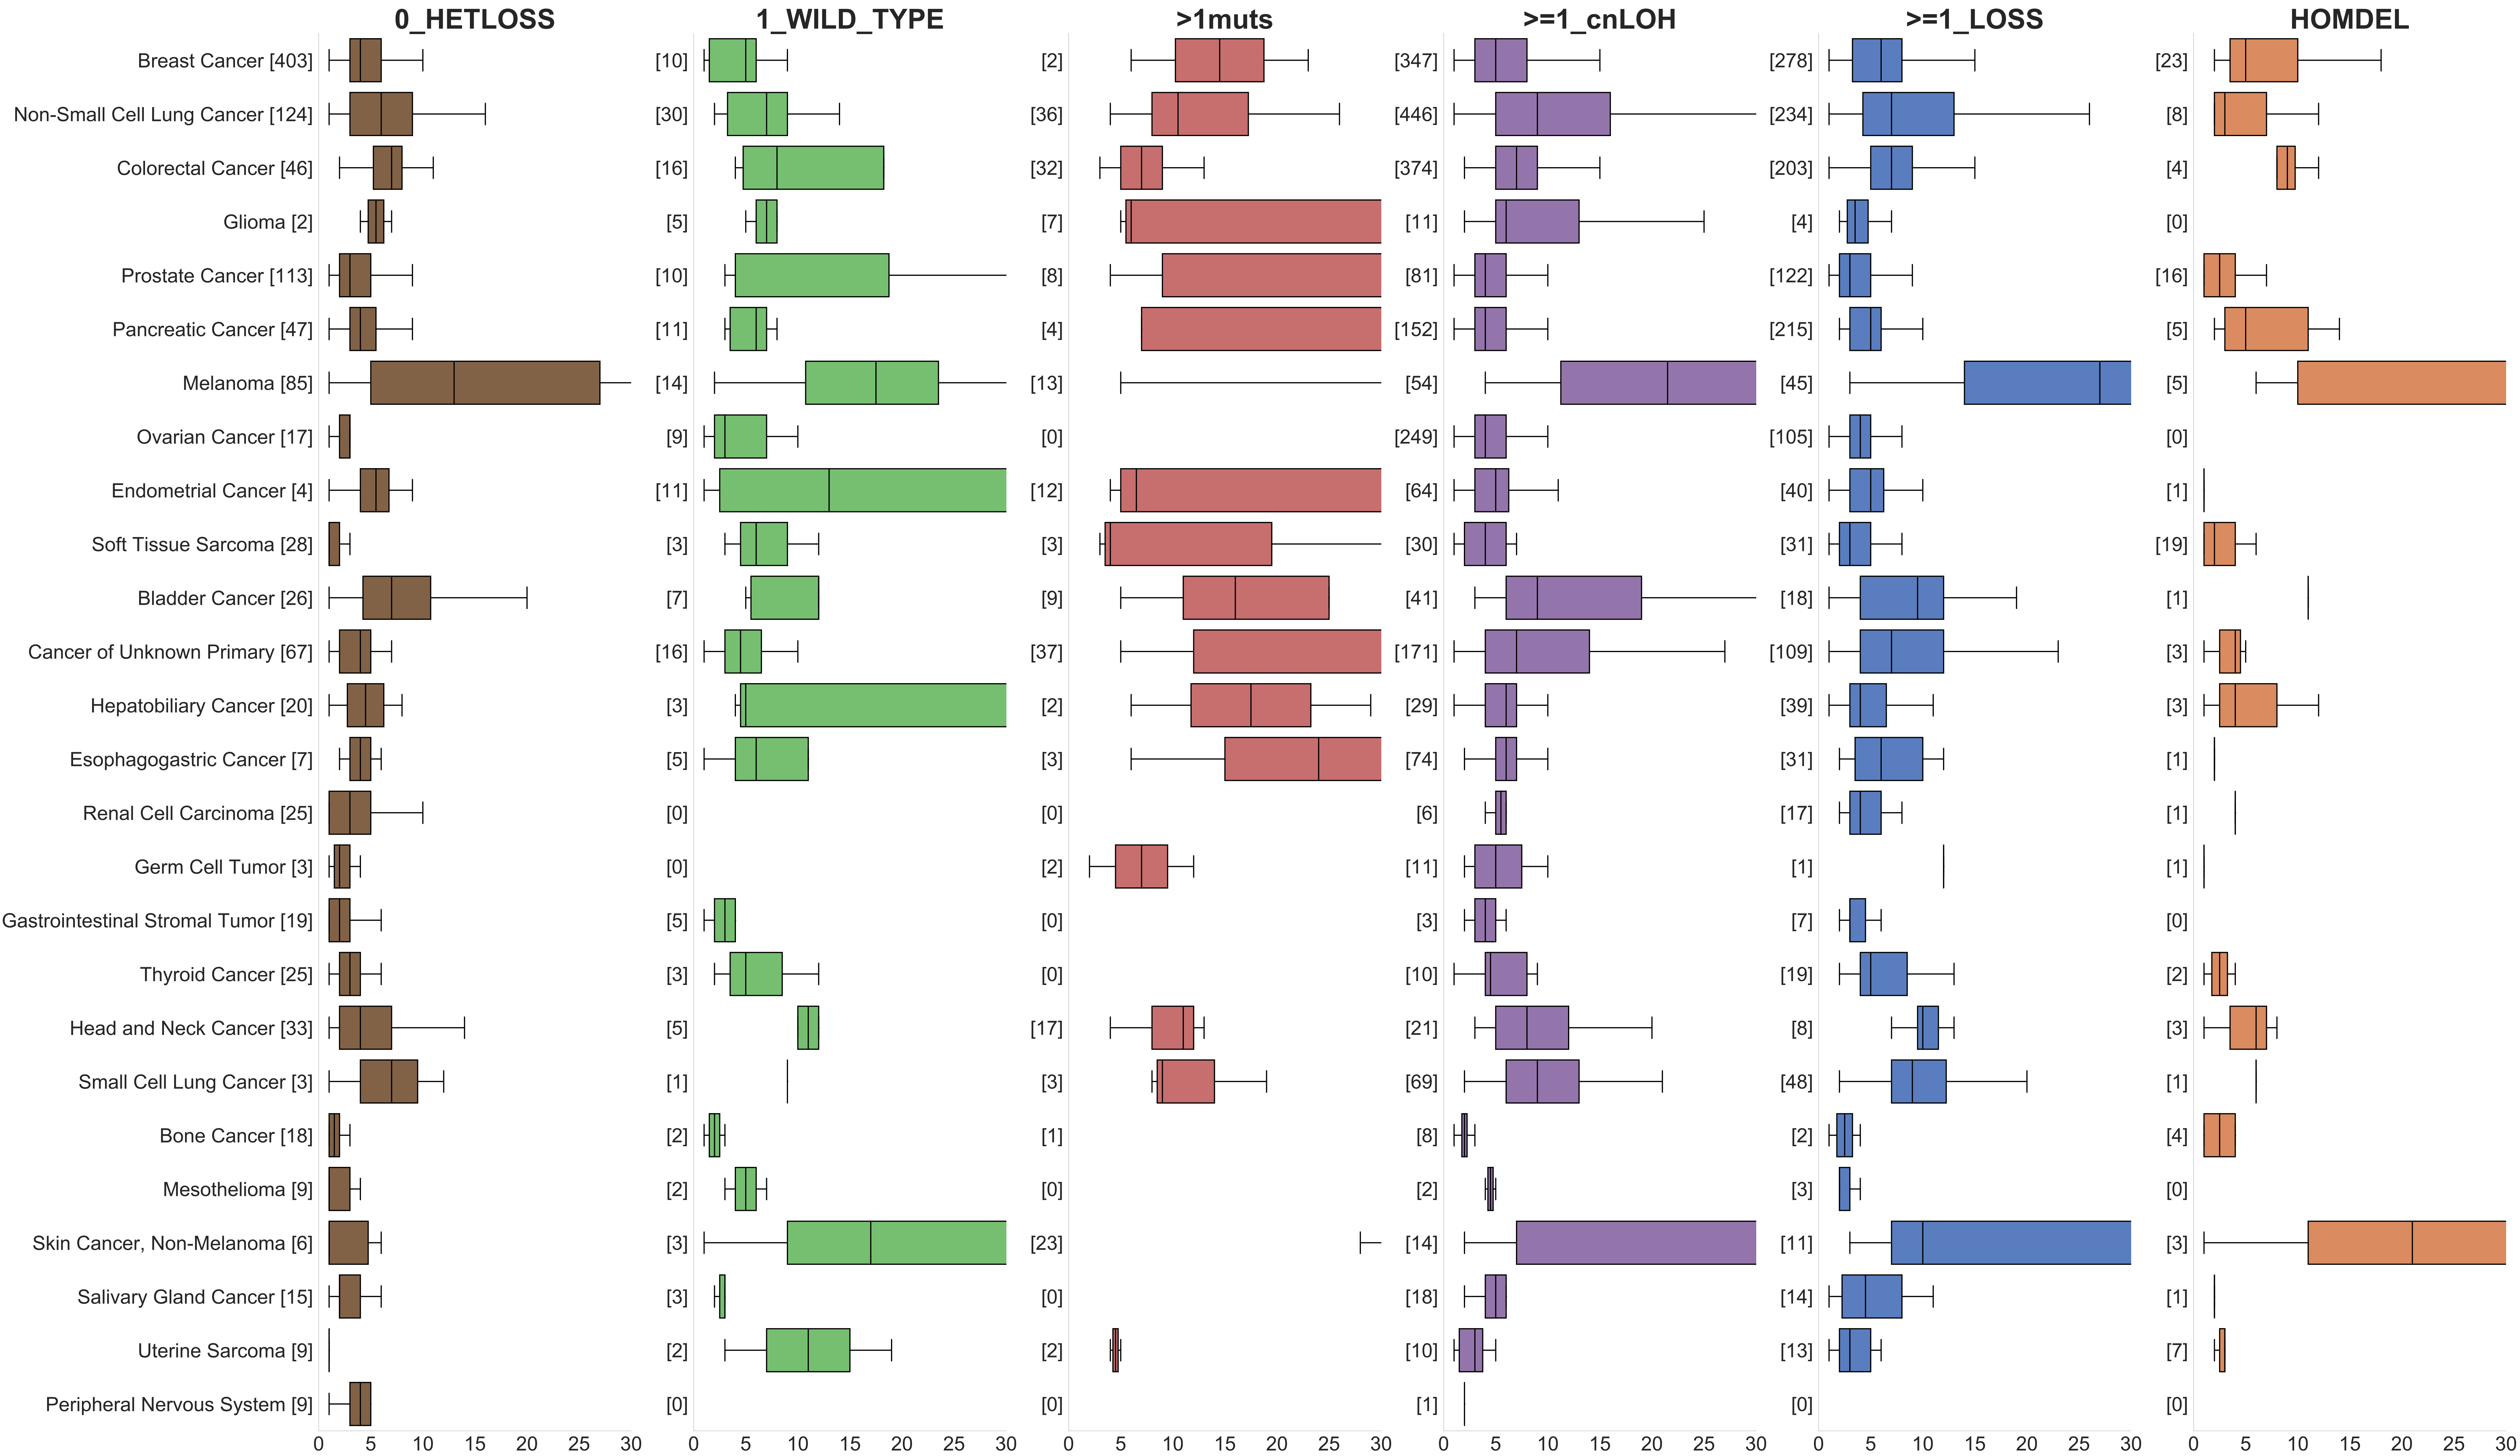

Number of aberrant chromosomes - Metastatic Samples

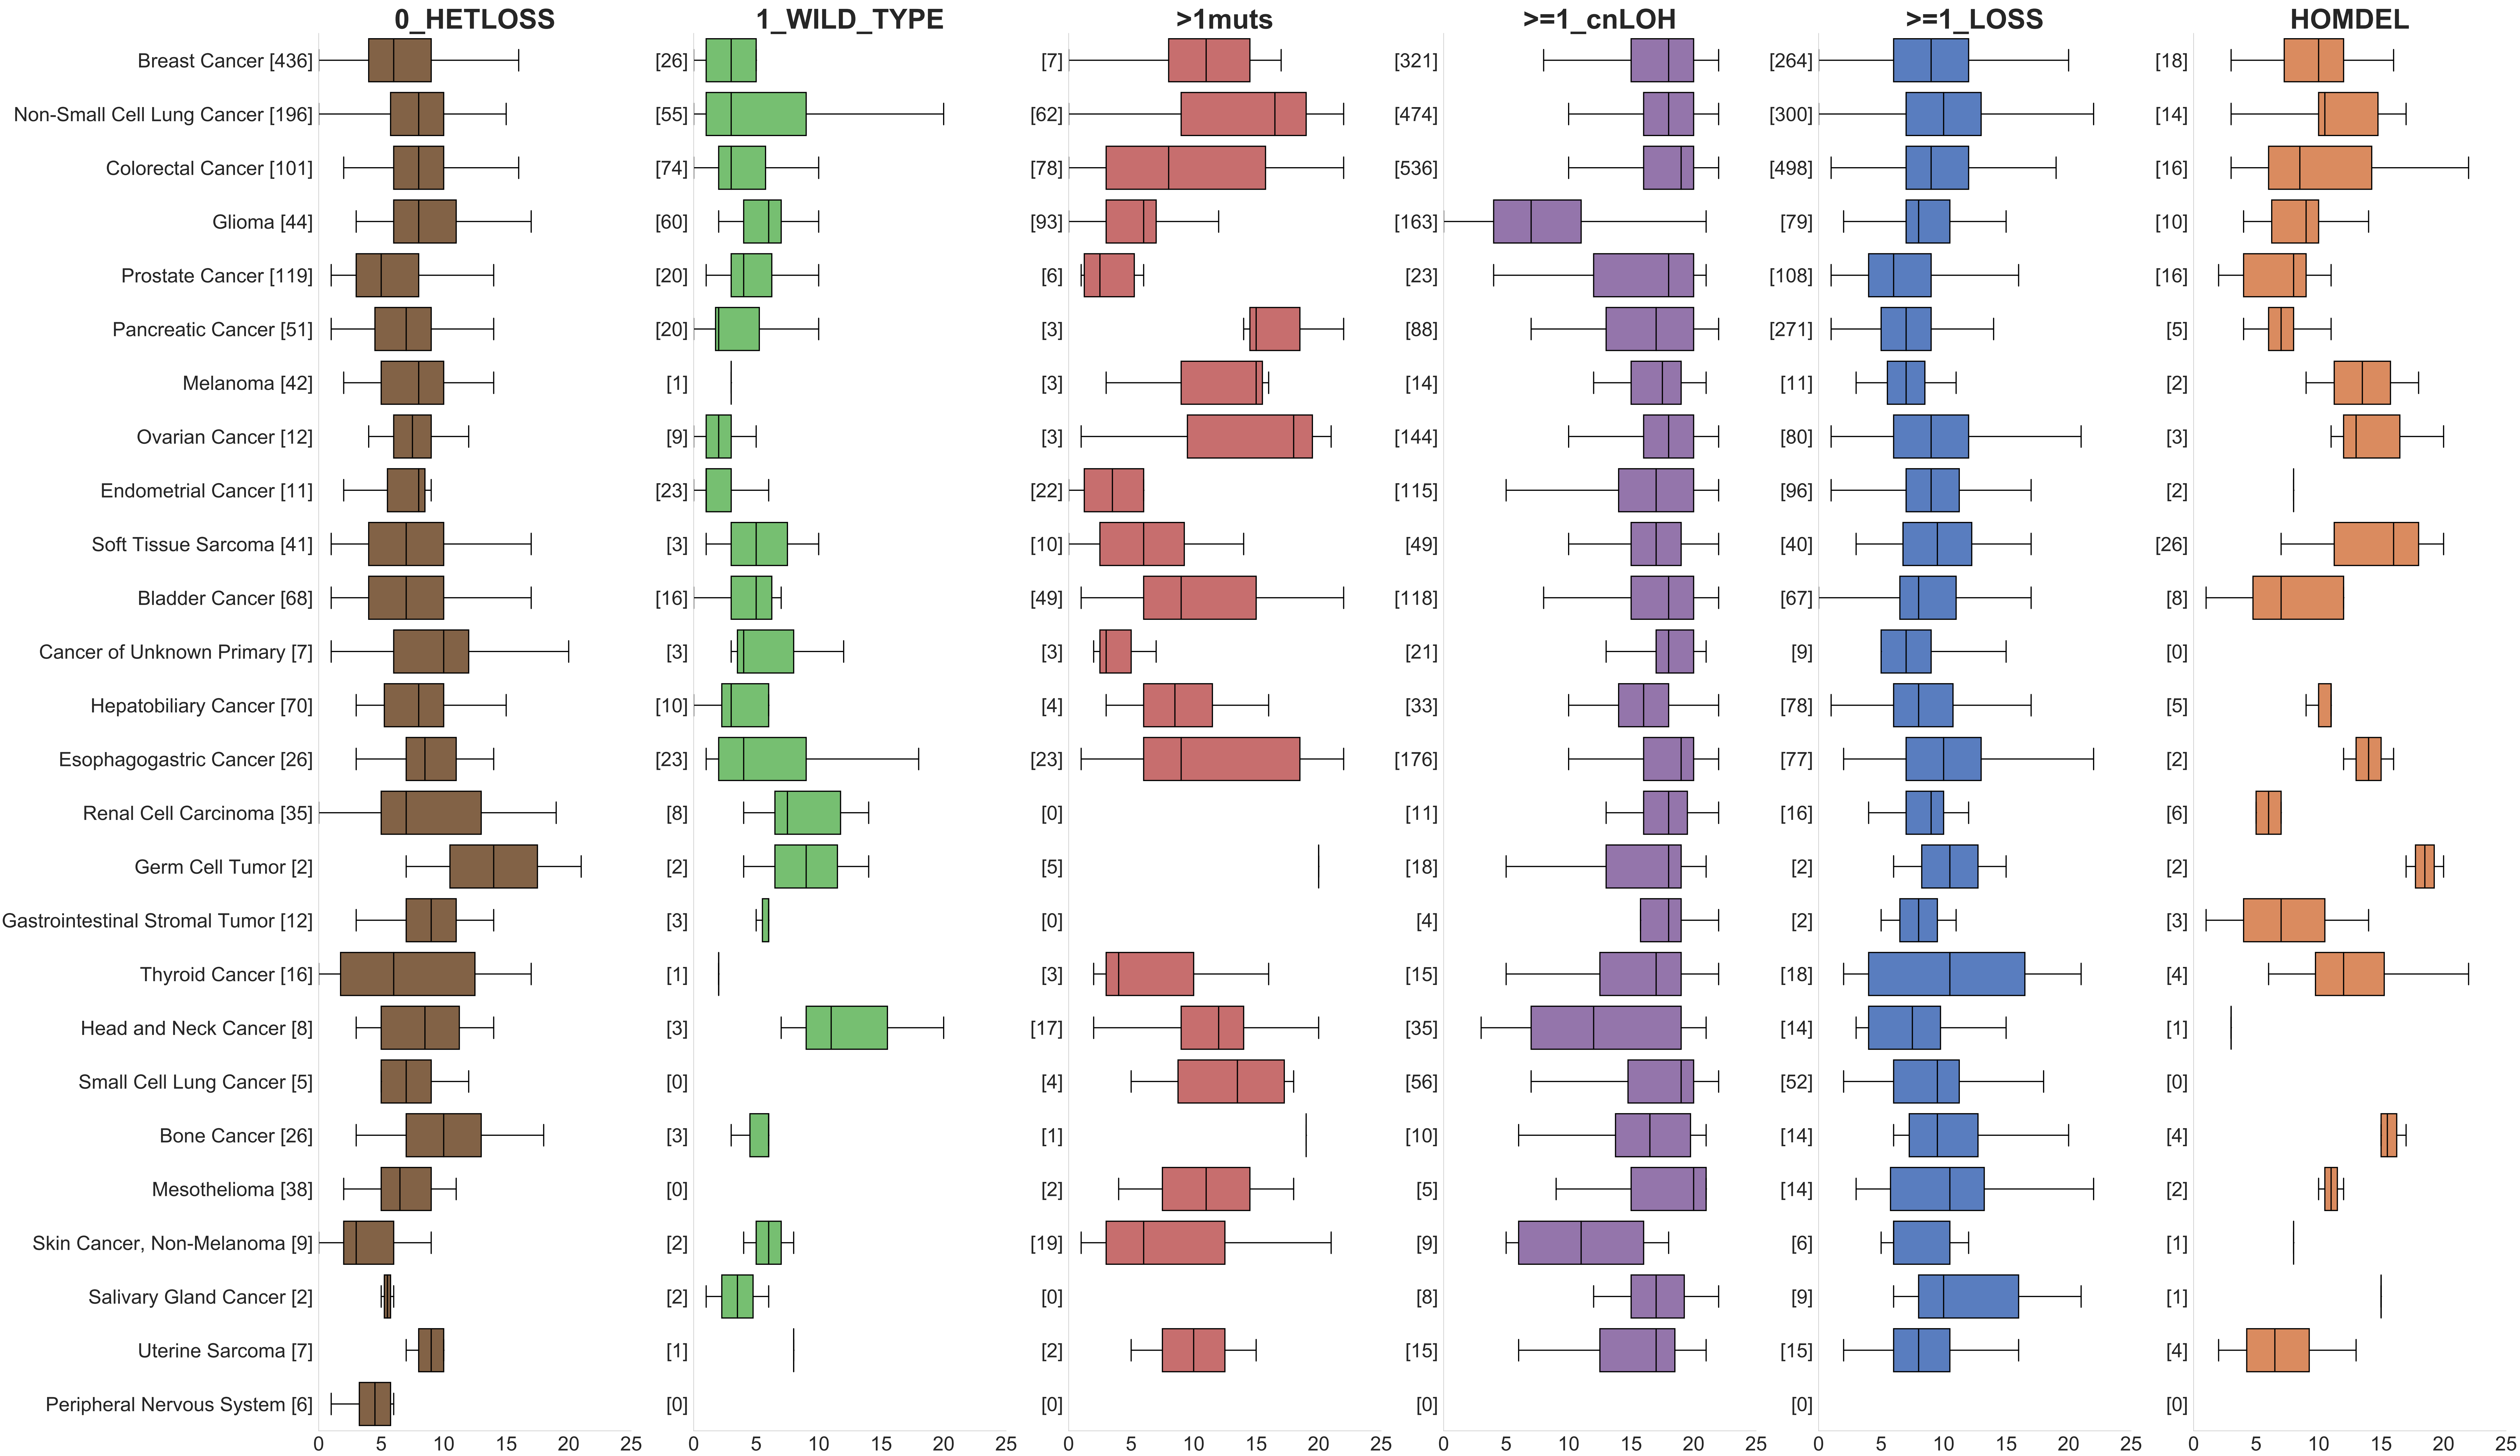

Fraction of genome altered - Primary Samples

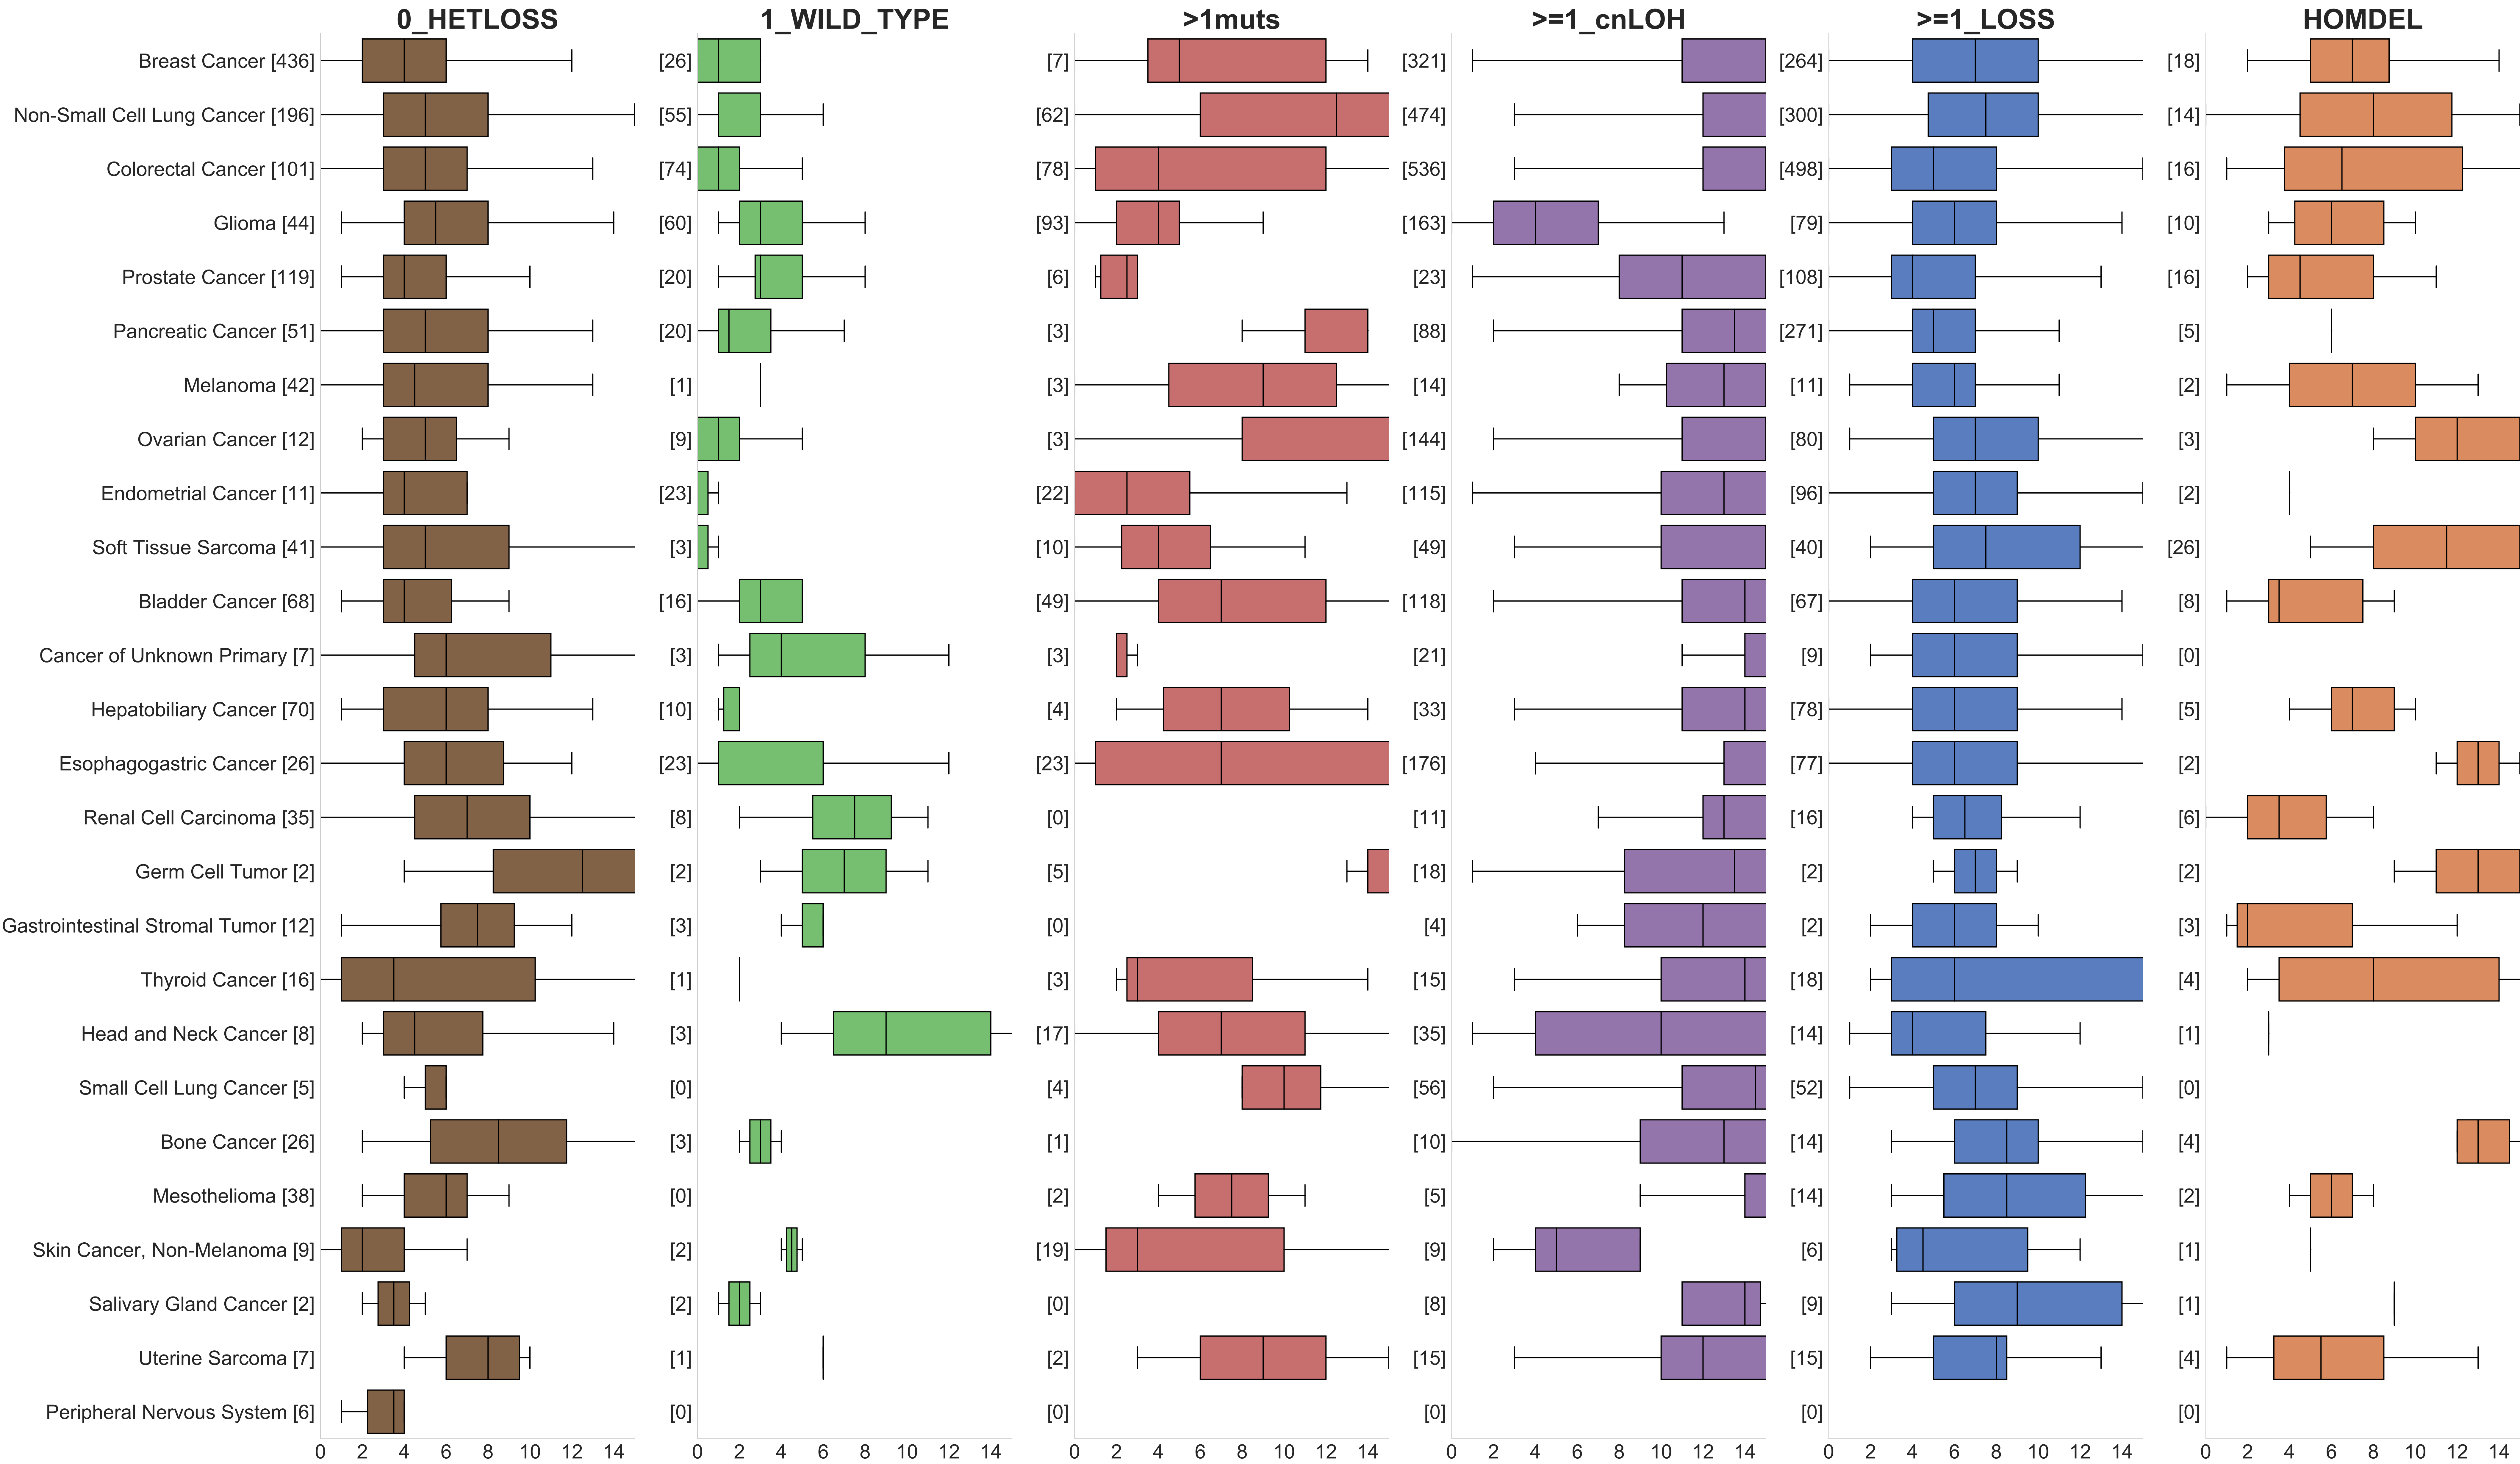

Mutation Count - Metastatic Samples

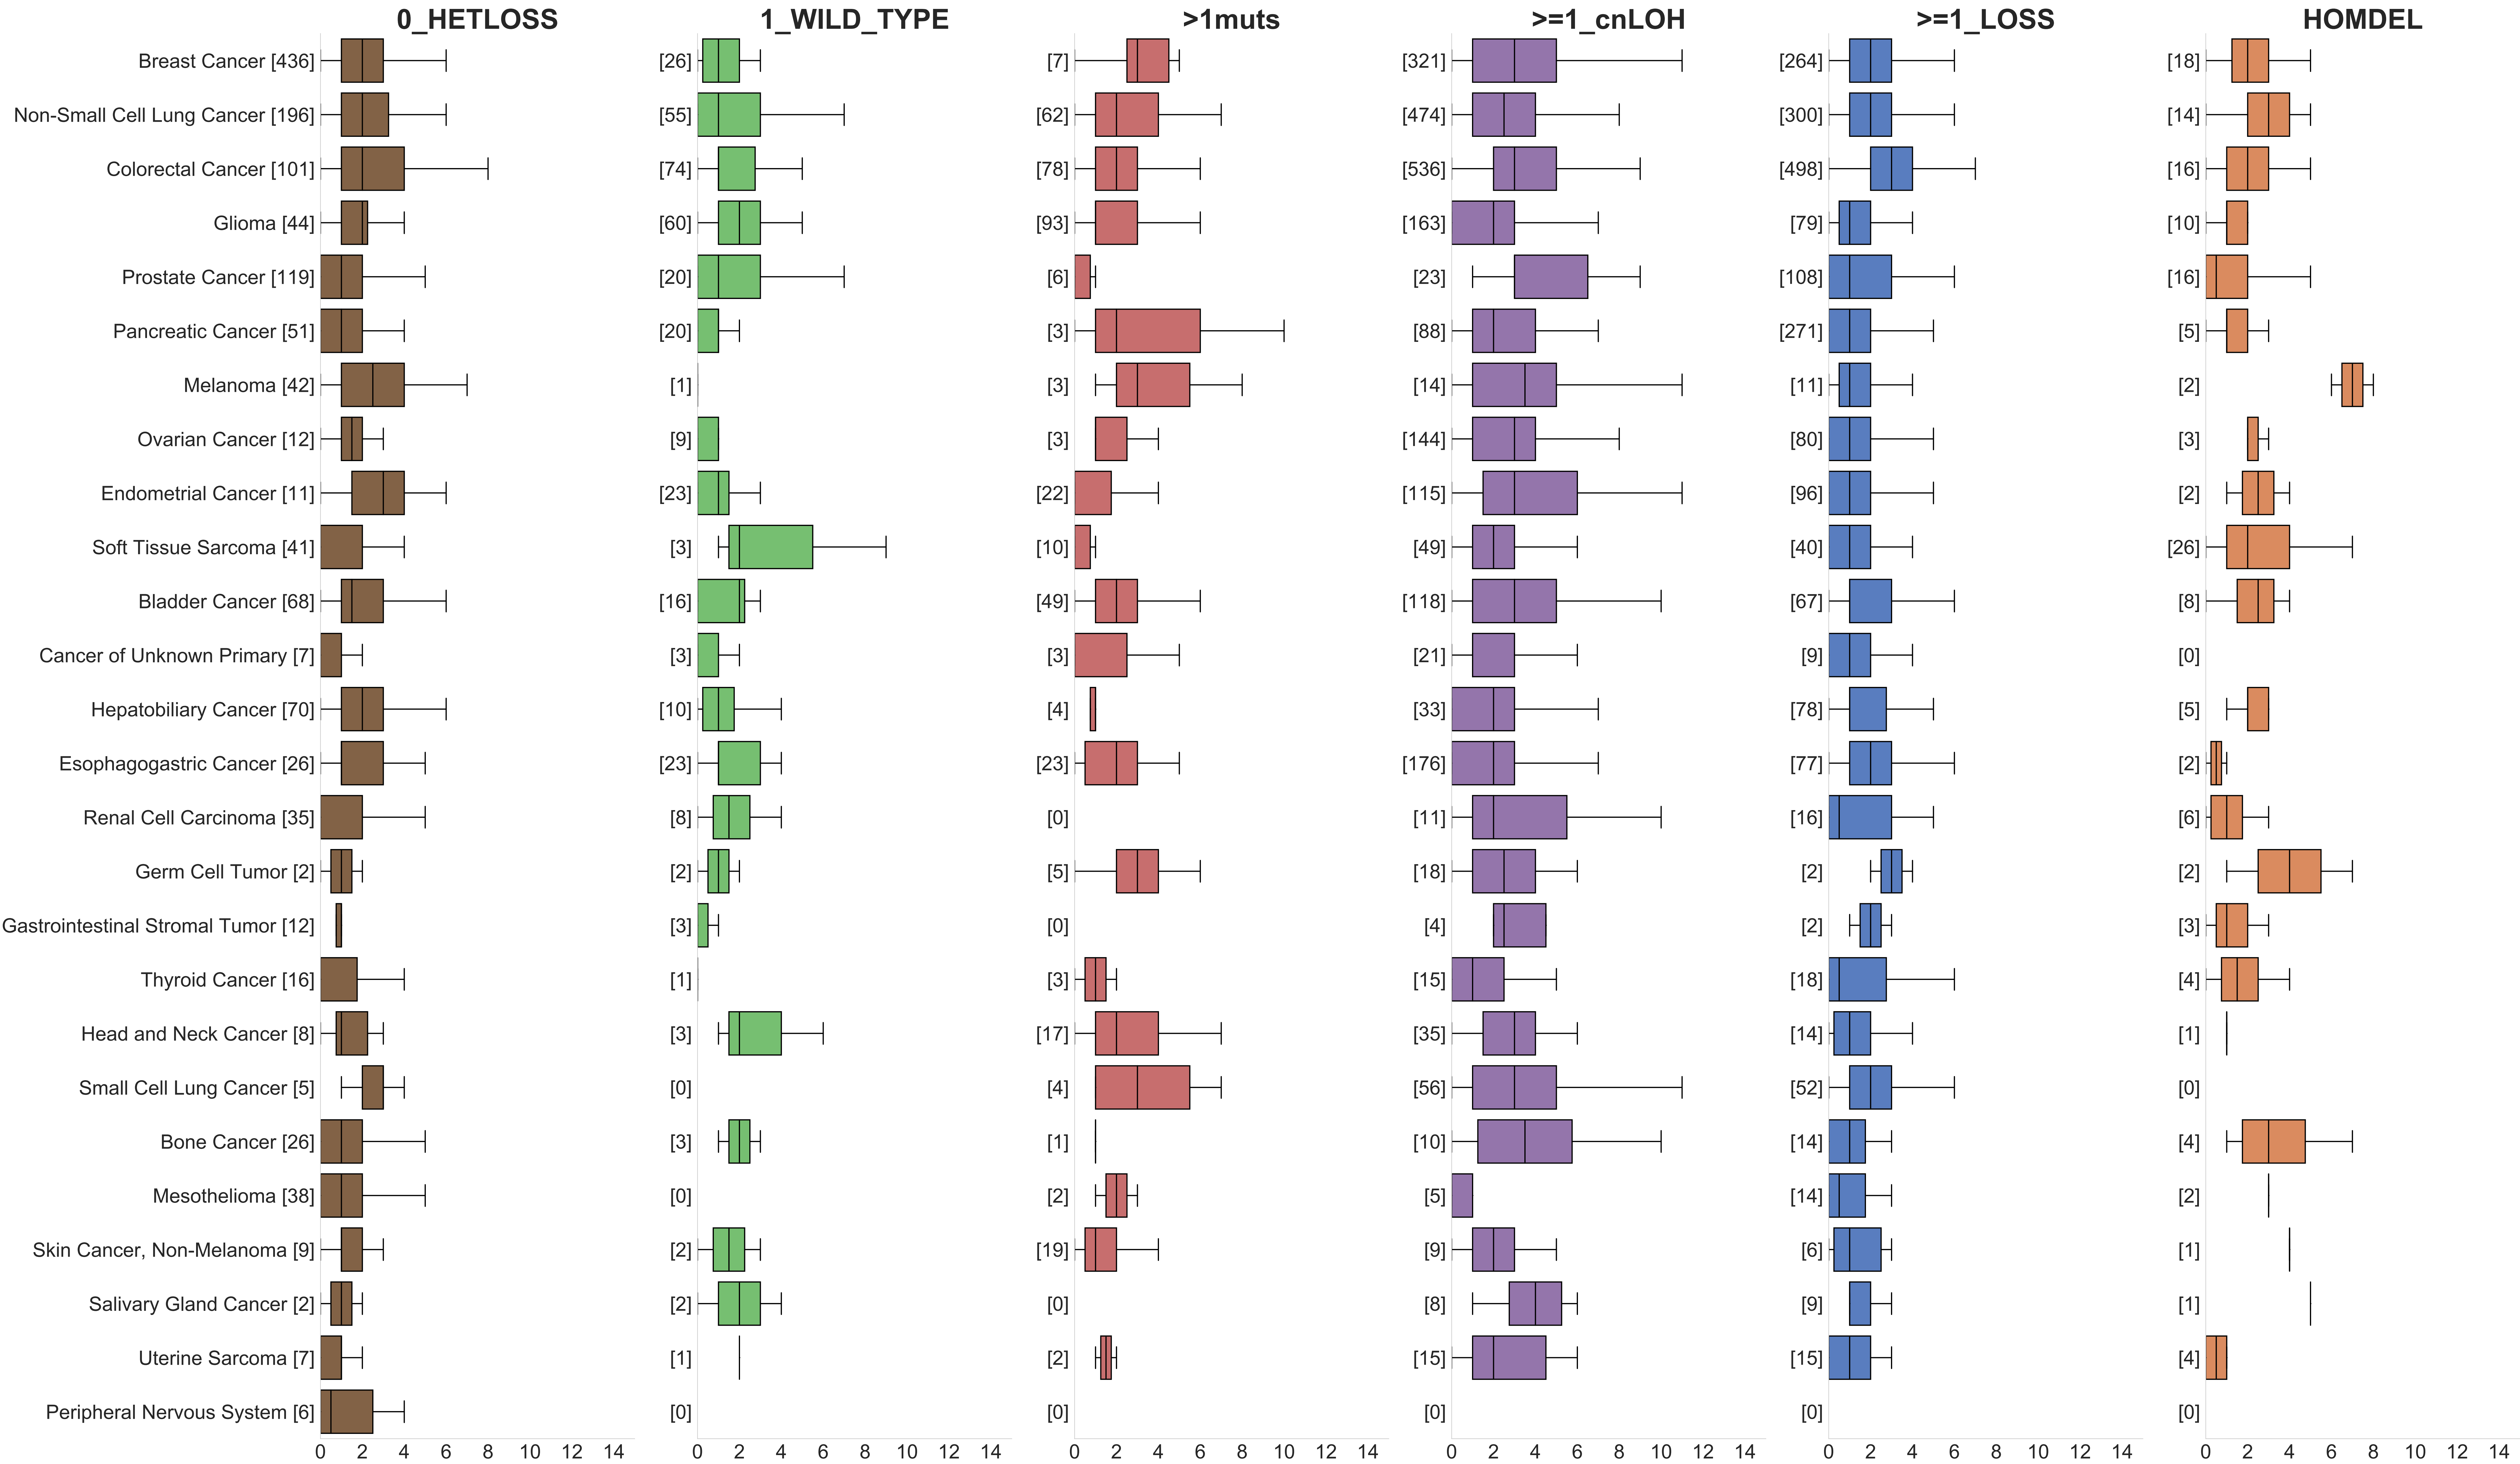

Number of aberrant chromosomes - Primary Samples

Number of chromosomes affected by a LOSS - Primary Samples

Number of chromosomes affected by a GAIN - Primary Samples

Number of chromosomes affected by a cnLOH - Metastatic Samples
